Koehlinger,2007-04-30 In the 1960s a number of Catholic women in the U S abandoned traditional apostolic works to experiment with new and often unprecedented forms of service among non Catholics Koehlinger explores this phenomenon through close examination of one of its most visible forms the experience of white sisters working in African American communities [A Promise and a Way of Life](#) Becky W. Thompson,2001 Beginning with the diverse catalysts that started these activists on their journeys this book demonstrates the contributions and limitations of white antiracism in key social justice movements BOOK JACKET **Veiled Desires** Maureen Sabine,2013-08-22 Ingrid Bergman s engaging screen performance as Sister Mary Benedict in *The Bells of St Mary s* made the film nun a star and her character a shining standard of comparison She represented the religious life as

the happy and rewarding choice of a modern woman who had a complete understanding of both erotic and spiritual desire. How did this vibrant and mature nun figure come to be viewed as girlish and naïve? Why have she and her cinematic sisters in postwar popular film so often been stereotyped or selectively analyzed so seldom been seen as women and religious? In *Veiled Desires*, a unique full-length in-depth look at nuns in film, Maureen Sabine explores these questions in a groundbreaking interdisciplinary study covering more than sixty years of cinema. She looks at an impressive breadth of films in which the nun features as an ardent lead character, including *The Bells of St. Mary's* (1945), *Black Narcissus* (1947), *Heaven Knows Mr. Allison* (1957), *Sea Wife* (1957), *The Nun's Story* (1959), *The Sound of Music* (1965), *Change of Habit* (1969), *In This House of Brede* (1975), *Agnes of God* (1985), *Dead Man Walking* (1995), and *Doubt* (2008). *Veiled Desires* considers how the beautiful and charismatic stars who play chaste nuns, from Ingrid Bergman and Audrey Hepburn to Susan Sarandon and Meryl Streep, call attention to desires that the veil concealed and the habit was thought to stifle. In a theologically and psychoanalytically informed argument, Sabine responds to the critics who have pigeonholed the film nun as the obedient daughter and religious handmaiden of a patriarchal church and the respectful audience who revered her as an icon of spiritual perfection. Sabine provides a framework for a more complex and holistic picture of nuns onscreen by showing how the films dramatize these women's Christian call to serve, sacrifice, and dedicate themselves to God and their erotic desire for intimacy, agency, achievement, and fulfillment.

Faithful and Fearless Mary Fainsod Katzenstein, 2021-01-12. Riots and demonstrations, the lifeblood of American social and political protest in the 1960s, are now largely a historical memory. But Mary Fainsod Katzenstein argues that protest has not disappeared; it has simply moved off the streets into the country's core institutions. As a result, conflicts over sexual harassment, affirmative action, and the rights of women, gays, and lesbians—and people of color—now touch us more than ever in our daily lives, whether we are among those seeking change or those threatened by its prospects. No one is more aware of this than women demanding change from within the United States military and the American Catholic church. Women in uniform are deeply patriotic, and women active in the church are devoted to their callings. Yet Katzenstein shows that these women often feel isolated and demeaned, confronted by challenges as subtle as condescension and as blatant as career obstruction. Although faithful to their institutions, many have proved fearless in their attempts to reshape them. Drawing on interviews with over a hundred women in the military and the church, including senior officers, combat pilots, lay activists, and nuns, this book gives voice to the struggles and vision of these women as they have moved protest into the mainstream. Katzenstein shows why the military and the church, similarly hierarchical and insistent on obedience, have come to harbor deeply different forms of protest. She demonstrates that women in the military have turned to the courts and Congress, whereas feminists in the church have used discursive protests, writing, organizing workshops, and conferences to rethink in radical ways the meanings of faith and justice. These different strategies, she argues, reflect how the law regulates the military but leaves the church alone. *Faithful and Fearless* calls our attention to protest within institutions.
