this would be her chosen city So off she went with a group of friends to celebrate discover and to scatter her memories Filling their time in Paris with sight seeing food and drink laughter and of course postcards *Legends & Lore of the Texas Capitol* Mike Cox,2017 From its beginning as one of the most ambitious construction projects west of the Mississippi the imposing red granite Lone Star statehouse loomed large in Texas lore The iconic landmark rests on a foundation of election rigging an unsolved murder land swaps and pre dedication blackmail It bore witness to the first meeting between LBJ and Lady Bird as well as a bizarre resolution honoring the Boston Strangler Mike Cox digs up a quarry s worth of the capitol s untold history cataloguing everything from its ghost stories to its public art and collectible tourist kitsch Cambridge University Reporter University of Cambridge,1904 **The Spectator** ,1916 A weekly review of politics literature theology and art **Postcards from the Río Bravo Border** Daniel D. Arreola,2013-08-01 A history in postcards of Mexican tourist towns in the first half of the twentieth century with nearly two hundred illustrations Between 1900 and the late 1950s Mexican border towns came of age both as tourist destinations in some cases by luring Americans who wanted to escape Prohibition and as emerging cities Commercial photographers produced thousands of images of their streets plazas historic architecture and tourist attractions which were reproduced as photo postcards Daniel Arreola has amassed one of the largest collections of these border town postcards and in this book he uses this amazing visual archive to offer a new way of understanding how the border towns grew and transformed themselves in the first half of the twentieth century as well as how they were pictured to attract American tourists Postcards from the R o Bravo Border presents nearly two hundred images of five towns on the lower R o Bravo Matamoros Reynosa Nuevo Laredo Piedras Negras and Villa Acu a Using multiple images of sites within each city Arreola tracks changes both within the cities as places and in the ways in which they ve been pictured for tourist consumption He also shows how postcard images when systematically and chronologically arranged can tell us a great deal about how Mexican border towns have been viewed over time This innovative visual approach demonstrates that historical imagery no less than text or maps can be assembled to tell a fascinating geographical story This is masterful cultural geography with rich visual materials delivered in a unique and compelling fashion *Journal of Latin American Geography* **Migrant Letters** Marcelo J. Borges,Sonia Cancian,2019-10-23 The migrant letter whether written by family members lovers friends or others is a document that continues to attract the attention of scholars and general readers alike What is it about migrant letters that fascinates us Is it nostalgia for a distant yet desired past Is it the consequence of the eclipse of letter writing in an age of digital communication technologies Or is it about the parallels between transnational experiences in previous mass migrations and in the current globalized world and the centrality of interpersonal relations mobility and communication then and now Influenced by methodologies from diverse disciplines the study of migrant letters has developed in myriad directions Scholars have examined migrant letters through such lenses as identity and self making family relations gender and emotions This volume contributes to this discussion by exploring the

connection between the practice of letter writing and the emotional economic familial and gendered experiences of men and women separated by migration It combines theoretical and empirical discussions which illuminate a variety of historical experiences of migrants who built transnational lives as they moved across Europe Africa Latin America and the United States This volume was originally published as a special issue of *The History of Family* *The publishers weekly* ,1992
