Youth Group Lance Aksamit, 2023-05-26 The aughts was a strange era for everyone America finally filled that hammer and sickle size hole in its heart with turbans and beards High schoolers went from wearing JNCO denim tents to hermetically sealed Jeggings And someone declared war on Christmas Youth Group Coming of age in

the church of Christian nationalism follows the life of a missionary kid as he traverses the bizarre world of anti masturbation purity groups CD immolation parties the culture wars and an occasional exorcism Author Lance Aksamit explores how and why the Evangelical church didn't simply jump into bed with but became Christian Nationalists Faith Can Change the World Lester Sumrall,1951-12-12 *Subject Guide to Books in Print* ,1983 **Preaching the Gospel** Ronald J. Sider,2021-06-22 This collection of Ron Sider's sermons and speeches delivered in his lifetime of global ministry capture the essence of his theology ethics and mission It moves from stirring personal occasions his sermon at his dad's funeral to challenging calls for racial and economic justice his influential prophetic speech in apartheid South Africa in 1979 These sermons reflect his passion for both evangelism and social action both personal holiness and just politics both faithful congregations and just peaceful societies These short gripping sermons convey the essence of what he has written elsewhere in dozens of books This collection offers a highly readable powerful summary of Sider's central ideas **Holy Hustle: A Bible Parody** Ward Ricker,2019-06-08 The entire Holy Bible rewritten as parody The history poetry gospels prophets of the Old Testament letters of the New Testament the entire thing rewritten to make you laugh as it points out the lunacy immorality and horror of the good book Audacious sacrilegious blasphemous scandalous but most of all hilarious as long as you are not one who takes this book of mythology seriously You may learn more about the Bible by reading this version than by reading the original **The Publishers Weekly** ,2006 Dodging the 60's Bullet: And Other Blessings from My Mennonite German Immigrant Grandparents Barbara Wyman,2023-10-25 About the Book I chose Dodging the 60's Bullet as the title because it expresses how I feel about living through that era without taking a direct hit I believe I was blessed by the timing of my birth as well as the influence from my immigrant grandparents who helped to raise me I was almost an adult when this unarmed insurrection began but those who were only in their early teens were not as lucky The 60s attack on America's culture alarmed my elderly grandfather who came to this country before 1900 and he shared his profound and prophetic concerns with me in 1962 It seemed that almost overnight social norms were being overturned by this generation composed of mostly college students who had been influenced by left leaning professors who taught that our traditional values were unjust and had to be radically changed God was soon declared dead drug use was celebrated and sex was considered just a form of Free Love with any partner The effect of all this is magnified now because those who suffered a direct hit and the children they spawned are currently in charge of our government education media and entertainment If you are not over 60 years old you likely have no idea of how or why we are seeing such a downturn of civility lawlessness and immorality in our culture now My life's journey combined with a renewed faith in Judeo Christianity prompted me to share my experiences and opinions in this book As a passionate current events and cultural news addict I am fascinated with how these issues are addressed in this ancient book we call the Bible I am hoping what I have written will be relatable and interesting enough to provide some food for thought and even some encouragement for those who are facing difficult times
