Resources for Teaching Mindfulness Donald McCown, Diane Reibel, Marc S. Micozzi, 2017-01-12 This master class in a book is designed to guide teachers of mindfulness based interventions MBI in continuing to develop more competence while raising global standards of practice and pedagogy Starting with the central yet elusive concept of stewardship it then expands upon the core components of MBI pedagogy A series of reflective essays by MBI teachers from around the world

foregrounds differences and challenges in meeting participants where they are Such reflections are both inspiring and thought provoking for teachers wherever they are The book also provides practical guidance and tools for adjusting teaching style and content for special populations from chronic pain patients to trauma survivors from health care professionals to clergy and including many others Detailed scripts and practices ready to adopt and adapt offer opportunities to explore new directions in the classroom and to continue the life long development of the teacher Included in the coverage Deepening teachers skills of guidance of meditation practices Insights into the essential practice of inquiry and dialogue with participants New practices that allow participants to explore mindfulness together in a spoken encounter How to keep up with review and make clear to participants the range of scientific evidence supporting the MBIs The breadth of practical insights and hands on strategies makes Resources for Teaching Mindfulness a unique developmental asset for a wide range of practitioners around the world Among those who will benefit are physicians and other medical practitioners health and clinical psychologists marriage and family therapists nurses clinical social workers physical and occupational therapists health educators and organizational development specialists

Reflective Practice for Renewing Schools Jennifer York-Barr, William A. Sommers, Gail S. Ghere, Jo Montie, 2016-05-20 Renew your teaching and your passion with this updated bestseller The teaching life can be hectic complex and even lonely That s why so many educators turn to reflective practice to reenergize their commitment to students and to themselves Reflective practice counteracts the effects of professional isolation and instills a personal and communal sense of meaning renewal and empowerment This best selling book offers research based and practical ideas and strategies for using reflective practice individually with colleagues schoolwide and even district wide Features of the newest edition include Updated strategies for engaging adults and students and using reflective practices to create equitable outcomes New examples of reflective practice in action A new chapter on the core leadership practices for growing reflective practice A new companion website with resources and reflection protocols When you make reflective practice part of your journey as an educator your insights benefit everyone and ensure enhanced learning and development for students This book is one of the best in the field It lends itself to practical solutions if the reader remembers that the gifts of time and relationships are at the center of this work The book takes a lot of theory and melts it down to hands on pieces doable in a school or district setting Michele R Dean Coordinator Ventura County Indian Education Consortium Ventura Unified School District CA The book has broken down reflection into its component parts cycles characteristics and capacities I applaud the insights and experiences of the authors Pat Roy Senior Consultant Learning Forward

International Brand Strategy Sean Duffy, 2021-01-03 In theory the Internet allows all brands to market internationally But in practice most companies struggle to compete outside their home market Written from a marketing practitioner s perspective International Brand Strategy evens the playing field with clear actionable techniques to guide any organization going through the process This book helps companies build sales in foreign markets but just as

important it helps them thrive by maintaining price integrity and building brand equity at the same time With the guidance provided in *International Brand Strategy* companies hit the ground running in foreign markets This provides a competitive advantage from day one empowers companies to avoid costly mistakes and saves months of trial and error The book lays out a unique methodology for managing brands abroad that can be implemented for any product in any market These methods have proven their value for companies large and small across six continents The book guides readers with pragmatic models and a wealth of examples from global companies such as Target Canada Unilever and Apple *International Brand Strategy* was written for those who are planning to enter a new market and for those who are already there but wish to improve their brand s performance It helps the reader recognize some of the most common pitfalls and how to avoid them provides practical tips to understand the dynamics of price product and value from a foreign buyer s perspective and defines a conceptual framework to assess and improve brand equity at home and abroad
