Snow is falling around the Aspen cabin that Leigh Insley never has time to visit. As winter gathers closer, she wonders if it might finally be time to sell her getaway retreat. It's only a few hours from Denver, true, but her career as a corporate lawyer has left her little time to enjoy it, and the years have ticked by almost unnoticed. Snow and ice are part of Margo Tosch. She's been on skis since she could strap them to her boots, and her love of the sport has taken her around the world. Now, as snowplow driver, ski instructor, and shopkeeper, this Jill of all trades has carved a life for herself and her daughter in the mountains she loves, where the isolation lets her keep her secrets to herself. When their paths cross in the high mountain air, city dweller Leigh is certain she has nothing in common with this rustic mountain woman named Margo. But even the frostiest of hearts can be taken by surprise. Bestselling author Kenna White warms the rugged mountains of Colorado with a smoldering Lambda Literary Award-winning love story.
