Twelve years ago Robyn professed her love for him and kissed him but he treated her like a child and rejected her. Her heart torn apart, she has since been unable to trust in men. Now Clay is offering his help with the business and with her love life; he says he'll teach her to be less wary of men. It isn't me, he's interested in she thinks. It's only casual relationships that interest him. It isn't love. *Sleep and Development* Mona El-Sheikh,2011-02-22 Sleep problems of American children have become a matter of national concern, with recent estimates indicating that 13% to 27% of children have sleep problems as reported by their parents. Addressing the sleep patterns of children as well as those of other family members, sleep specialists from pediatrics, human development, family studies, and developmental and clinical psychology examine linkages between sleep and family processes, cultural attitudes towards sleep, and normative sleep disturbances in children, such as resistance to bedtime, chronic deprivation, and inconsistent sleep schedules.
