voice of comfort for years to women who are spiritually bankrupt and now she will reach to those who are financially strapped showing them how to pull themselves out of their psychic and fiscal crises while providing deep comfort and reassurance throughout

Sacred Time Christine Valters Paintner, 2021-02-19 We live in a world where there never seems to be enough time for all we want and need to do In *Sacred Time Embracing an Intentional Way of Life* Christine Valters Paintner guides us as we move beyond our own lives and embrace a world that urges us toward rest reflection and growth In *Sacred Time* Paintner abbess of the online Abbey of the Arts shows us how by becoming in tune with the rhythms of the natural world we can live more intentionally and experience a conversion toward a more expansive way of being Paintner introduces us to the eight cycles of sacred time that exist in our everyday lives These cycles that can ground us through our busy lives are breath rhythms of the day weekly rhythms and Sabbath rest waxing and waning lunar cycles seasons of the year seasons of a lifetime ancestral time and cosmic time Each cycle encourages us to mindfully consider the time that passes as quickly as each breath and as slowly as the passing of generations Within each cycle we find wisdom from sacred tradition and the saints including St Benedict St Ignatius of Loyola and St Hildegard of Bingen room for growth and the presence of the Divine Along the way we are also given scriptural guidance and we are invited to spiritual practices and creative explorations that will help deepen our understanding of each cycle allow that understanding to take root in our lives and expand our lives beyond the pressures of each day

Walking Seasonal Roads Mary A. Hood, 2012-05-18 Seasonal roads are defined as one lane dirt roads not maintained during the winter They function as connectors linking farmers to their fields neighbors to neighbors or two more well traveled roads to each other Some access hunting lands and recreational areas Some pass by cemeteries allowing people to visit and honor their dead They can be abandoned as people move and towns fade In every incarnation the seasonal road touches the land in a gentler way than do other roads Having traveled nearly every seasonal road in Steuben County New York Hood finds they provide the ideal vantage to contemplate the meaning of place offering intimate contact with plant and wildlife and the beauty of a rural landscape Each road reveals how our land is used how our land is protected and how environmental factors have impacted the land As a literary naturalist Hood reflects on endangered species and invasive species as well as on issues of conservation and sustainability From state forests to potato fields from development along Keuka Lake to vineyards from old family cemeteries to logging sites *Walking Seasonal Roads* is a celebration and an honoring of the rural and the regionalism of place illustrating the ways we connect to our home and to each other

Kicking in the Wall Barbara Abercrombie, 2013 I would go as far as I could and hit a wall said musician and memoirist Patti Smith In response playwright Sam Shepard advised When you hit a wall just kick it in Writing teacher Barbara Abercrombie's powerful writing prompts give us just the push we need to do it Like a workout with a top trainer her exercises warm up stretch and build creative muscle *Kicking In the Wall* includes quotes from famous writers to accompany the exercises as well as real world examples of completed exercises by the author's students in the UCLA

Extension Writer s Program Though Abercrombie says readers need only commit to five minutes per exercise she writes I ve seen novels memoirs and many essays get started in those five minutes and a lot ended up being published Her playful method is essential fuel for writers trying to get off the starting block persevere through challenges and cross their personal creativity finish lines

Something More Sarah Ban Breathnach,2009-11-11 From the author of the bestselling Simple Abundance comes a provocative and powerful life bible for women around the world In this insightful and eloquent book Sarah Ban Breathnach explores the nine stages necessary to living authentically Sensing Surviving Settling Stumbling Selling Out Starting Over Searching Striving and finally Something More

Pronoia Is the Antidote for Paranoia, Revised and Expanded Rob Breznsny,2009-09-22 Readers were instantly beguiled by Rob Breznsny s new approach to the humble horoscope when his Free Will Astrology column first appeared in 1996 Instead of the generic one size fits all style of similar columns Breznsny used witty parables tender rants cultural riffs pagan wisdom and lively rituals in his playfully positive readings He brings that same sensibility and the same message of a smiling universe to this self help book for people who may be skeptical about self help books Breznsny persuasively advises readers to go along with the universe s good intentions but his rejection of cynicism and a bleak view of human nature isn t rooted in denial On the contrary he makes a case for a cagey optimism that requires a vigorous engagement with the dark forces He asks us to rethink life as a sublime game created for our amusement and illumination The book is a chameleon of a tome You can read it straight through slowly and surely or else pick it up and open it at random for tasty hits of inspiration as the spirit moves you You can even start at the end and weave your way backward Breznsny has substantially updated this edition he added nearly one hundred pages by expanding various sections adding more than a dozen new pieces and a new chapter and providing readers with a number of playtime activities and exercises that let them participate through their own writing and drawing Breznsny s horoscopes are like little valentines buoyant and spilling over with mischievousness They re a soul prognosis The New York Times

The Paradox of Suicide and Creativity M.F. Alvarez,2020-11-12 If creativity is the highest expression of the life impulse why do creative individuals who have made lasting contributions to the arts and sciences so often end their lives M F Alvarez addresses this central paradox by exploring the inner lives and works of eleven creative visionaries who succumbed to suicide Through a series of case studies Alvarez shows that creativity and suicide are both attempts to authenticate and resolve personal catastrophes that have called into question the most basic conditions of human existence

Rational Suicide, Irrational Laws Susan Stefan,2016-02-25 When should we try to prevent suicide Should it be facilitated for some people in some circumstances For the last forty years law and policy on suicide have followed two separate and distinct tracks laws aimed at preventing suicide and increasingly laws aimed at facilitating it In Rational Suicide Irrational Laws legal scholar Susan Stefan argues that these laws co exist because they are based on two radically disparate

conceptions of the would be suicide This is the first book that unifies policies and laws including constitutional law criminal law malpractice law and civil commitment law toward people who want to end their lives Based on the author s expert understanding of mental health and legal systems analysis of related national and international laws and policy and surveys and interviews with more than 300 suicide attempt survivors doctors lawyers and mental health professionals Rational Suicide Irrational Laws exposes the counterproductive nature of current policies and laws about suicide Stefan proposes and defends specific reforms including increased protection of mental health professionals from liability increased protection of suicidal people from coercive interventions reframing medical involvement in assisted suicide and focusing on approaches to suicidal people that help them rather than assuming suicidality is always a symptom of mental illness Stefan compares policies and laws in different states in the U S and examines the policies and laws of other countries in Europe Asia and the Americas including the 2015 legalization of assisted suicide in Canada The book includes model statutes seven in depth studies of people whose cases presented profound ethical legal and policy dilemmas and over a thousand cases interpreting rights and responsibilities relating to suicide especially in the area of psychiatric malpractice *Crisis Intervention* Lennis G. Echterling, Jack H. Presbury, J. Edson McKee, 2005 Core text for crisis intervention courses in Counseling Social Work and Clinical Psychology Here is how some reviewers have described the text This text presents a compelling argument that victims of crisis and trauma can recover and grow into strong and healthy survivors The text s emphasis on resilience is an important next step in the evolution of this helping technique Its detailed explanation of the techniques that utilize the strength of survivors is valuable for neophytes and experienced helpers alike The exercises and discussion questions presented move it from a theory based text into a valuable tool for skill development This text is a very valuable addition to the literature on crisis intervention Thomas W Rueth University of Dayton The writing is excellent and well thought out The ideas are presented clearly the stories used in each chapter are excellent and the authors do an excellent job integrating their stories with the content of each chapter Chris McCarthy University of Texas at Austin Crisis Intervention stands out as a cutting edge text among books on crisis intervention and current Clearly the art and science of crisis intervention is conveyed through the use of research story literature exemplars activities and practical approaches Nicholas Mazza Florida State University
