Slim The Standardbearer

RJ Alexander

Slim The Standardbearer:

Slim Ronald Lewin,1999 Field Marshal the Viscount Slim was blessed with none of the advantages of wealth and social position that eased the progress of many army officers With only his integrity personality and intellect he rose to the pinnacle of his career **Bill Slim** Robert Lyman,2011-07-20 Bill Slim was one of the greatest British generals of World War II In a

career that stretched from 1914 until 1958 his greatest triumphs came in India and Burma in the long war against the Japanese Thrust into a desperate situation he orchestrated the longest retreat in British Army history in the withdrawal from Burma He then turned on the Japanese in India shattered their army and pursued them to destruction Apart from his great military victories Slim also left a legacy of training and morale building that endures in the British Army to this day This book examines both Bill Slim s military career and his place in military history by examining some of his greatest battles and the strategy and tactics that set him apart from his contemporaries **Infantry** ,2000 **The Lost Battalion** Paul

Griffin,2018-10-19 The story of the young Paul Griffin who joined the army in 1940 at the age of 19 and opted for the Indian Army He spent two years guarding the Khyber Pass with his battalion the 3rd 6th Ghurkas before training for warfare with the Chindits for whom he was GIII Ops He helped to evacuate the Broadway stronghold before being re assigned to the invasion of Malaya The Lost Battalion is the 3rd 6th who were almost driven to extinction by being kept too long in the field

Delivering the Goods Damon Schechter,2002-12-30 We often think of great battles as having been won by superior strategy bravery or weaponry Often however the greatest battles are decided by a much more mundane factor logistics Delivering the Goods looks at business logistics through the history of successful military logistical operations undertaken by leaders from Alexander the Great to General Norman Schwarzkopf and offers practical guidance on applying proven logistical principles to your business *The Second World War in East Africa, 1940-1941* ,2024-12-16 As a first of its kind

this edited collection brings together a variety of chapters dealing with different topics that address where possible most of the participants involved in or affected by the conflict as well as different often neglected aspects of the East Africa campaign of the Second World War In doing so this volume not only makes a definite contribution to the broader historiography and to our understanding of a diverse complex Second World War but will also serve as an impetus for further topical research on an important yet neglected campaign of the war Videssos Cycle: Volume Two Harry Turtledove,2013-04-16 The classic

fantasy series from one of alternative history s stalwarts The New Yorker continues in the adventure of a lifetime Harry Turtledove s brilliant re imaginings of major world events have thrilled fans for decades but he first captured readers attention with the Videssos Cycle a unique blend of fantasy and speculative history In this two book volume a Roman legion thrown into another world fights its way through sorcery intrigue and epic conflict THE LEGION OF VIDESSIONS Since the legion was mysteriously transported to this magical realm Roman military tribune Marcus Aemilius Scaurus has valiantly served the rulers of the war torn city of Videssos However Fortune is a fickle goddess Returning in triumph after defeating a

well entrenched army of rebel mercenaries Marcus is betrayed by a friend seized as a traitor and dragged before the Emperor Only one person may be able to save him the Emperor's niece But consorting with her could lead to exile or worse
SWORDS OF THE LEGION As prisoner of the Emperor Marcus Scaurus is in a desperate situation He stands condemned for treason unless he can reclaim a rebel province from a fanatic usurper without the aid of his Romans Now with just one centurion by his side Marcus sets out to once again do the impossible Soon the fates conspire against the men driving them toward the torture chambers of an evil deathless wizard prince But an audacious last hope rallies behind them the soldiers of the legion are on the march

The 1945 Burma Campaign and the Transformation of the British Indian Army

Raymond A. Callahan ,Daniel Marston,2021-01-28 In 1945 the Indian British XIV Army inflicted on the Imperial Japanese Army in Burma the worst defeat in its history That campaign the most brilliant and original operational maneuver conducted by any British general in the twentieth century largely forgotten until now is a full and fresh account utilizing a full range of materials from personal accounts to archival holdings including the bits the official historians left out such as the attempt by a jealous British Guards officer to have Slim sacked at the conclusion of the campaign After the retreat from Burma in 1942 Lieutenant General Sir William Slim commander of the British XIV Army played a crucial role in the remarkable military renaissance that transformed the Indian Army and then with that reborn army won two defensive battles in 1944 and in the 1945 campaign shredded his Japanese opponents Behind this dramatic story was another the war marked the effective end of the Raj This great transformation was of course brought about by many factors but not the least of them was the Indianization of the Indian Army's officer corps under the pressure of war As Slim's great victory signposted the change from the army Kipling knew to a modern army with a growing number of Indian officers the praetorian guard of the Raj evaporated Every Indian officer worth his salt is a nationalist the Indian Army's commander in chief Claude Auchinleck said as the XIV Army took Rangoon The Burma campaign may not have contributed in a major fashion to the final defeat of Japan but it was of first rate importance in the transformation of South Asia as well as underlining the continuing importance of inspired leadership in complex human endeavors

Mailing List (Infantry School (U.S.)) ,2000

Mountbatten, Cold War and Empire, 1945-79 Adrian Smith,2022-11-17 Mountbatten Cold War and Empire 1945-79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill's wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten's record in Southern Asia in 1943-6 and 1947-8 Additional chapters focus on Mountbatten's position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten's relationship with Anthony Eden both during and following the Suez Crisis as well as detailing

Mountbatten's achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges Mountbatten's centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith's scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten's personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten's career from 1943 to the mid sixties
