Slop and Swill from a Festering Mind Brian Lewandowski,2003-12-01 Slop and Swill from a Festering Mind is a collection of many of the humorous essays Brian has penned over the years Politically and topically in tune with the world he has assembled such greats as Pia Zadora s Head Sears Can Suck My Ass and Golden Afro Jesus along with a plethora of his stand up bits and writing seen on his web site Get it while the getting is good Sport and Life on the Pacific Slope Horace Annesley Vachell,1908 Lilies That Fester John Bossert Brown Jr.,2022-12-20 The twentieth century promised much in terms of progress Europe was at peace and America was poised to become a world superpower Certain religious leaders envisioned new programs to help the poor while others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide there have been over one billion unborn children destroyed by abortion There have been sixty four million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship Life and Sport on the Pacific Slope Horace Annesley Vachell,1901 **McCall's** ,1924 *The Electrical Worker* ,1908 Shield of Winter Aaron Hodges,1900 Alana has been captured She expected an agonizing death to follow but instead she now finds herself a guest of the Tsar Locked away amidst untold wealth and luxury it isn t long before she learns the reason she was spared her entire life has been a lie Her true identity lurks within chained by magic but with promises of untold power It terrifies her and yet she must know the truth Meanwhile ex soldier Devon plans a fresh rebellion in Trola But after carving his legend in the blood of their people he s a marked man He ll have to watch his step if he s to successfully negotiate the shifting tides of the Trolan cause and not get himself killed in the process Either way failure is not an option because without an uprising Alana will be lost to him forever An original epic fantasy book with dragons gods and magic packed with action adventure swords and sorcery by New York Times Bestselling Author Aaron Hodges **Twilight's Ashes** Auler Ivis,2010-10-07 The year is 635 039 A D and the world has descended into an ice age Human beings no longer rule the Earth Instead a post human race of creatures has emerged from the chaos and they are hell bent on destroying prehistoric man in order to take control of the planet Against them stands nothing but a prophecy foretelling the victorious arrival of the Seventh Shepherd Jebden Gale is an unlikely hero Living in an isolated village deep within the new ice sheet he has a special ability to connect with a higher power Although he

despises his relationship with the gods Jebden appears to be chosen by them for greatness Could he possibly be the Seventh Shepherd Time is short The godless post human hordes sweep the world destroying surviving human enclaves one by one while their dying race waits for a sign In order to strengthen Jebden the gods must forge a partnership among the few remaining humans with the ability to guide their chosen one But will Jebden realize his destiny in time or will his weakness mean the end of the human race
