Damazo Dut Majak Gloria Ibrahim Saliba and Seid M Zekavat *Lebanon* Paul Doyle, 2023-04-17 This new thoroughly updated third edition of Bradt's Lebanon remains the only English language guide dedicated to the smallest country on the Asian continent. Comprehensively updated throughout to reflect recent economic, political and social changes, it includes revised and new listings for hotels, restaurants and what to see and do, catering for all types of travellers and budgets. Although only half the size of Wales, Lebanon offers extraordinary diversity. Some of the world's oldest human settlements, including the Phoenician ports of Tyre and Byblos, two of Lebanon's five World Heritage sites, sit alongside modern Beirut. The absorbing capital is popular for its world-renowned cuisine, eclectic nightlife, mosaic of peoples and kaleidoscope of religions. In Lebanon's second city, Tripoli, busy medieval souks are watched over by a vast Crusader castle. Nearby, snow-capped mountains and the lush Qadisha Valley, with its snaking river and waterfalls, provide entertainment for skiers and hikers; the latter also well served by the Lebanon Mountain Trail, which runs virtually the length of the country. Three hundred days of sunshine per year makes Lebanon a go-anytime destination, with the Mediterranean coastline particularly drawing sun-seekers and watersports enthusiasts. Wildlife lovers can enjoy Shouf Biosphere Reserve, with its famed cedar trees, the national emblem, and the Aammiq Wetlands, while Lebanon has become a major destination for religious tourism and vinophiles can visit numerous Bekaa Valley wineries of international repute. Bradt's Lebanon offers detailed coverage of areas ignored by other guides, particularly the country's south, as well as more extensive cultural and practical information. New for this edition are specialist features on aspects of Lebanese cultural life, additional background information, updates on work to rebuild Beirut following the 2020 explosion, extended and revised coverage of the Aammiq Wetlands, new and updated maps, and new visitor attractions, including the MIM mineral museum and the Middle East's first chocolate museum, both in Beirut. With a comprehensive language appendix covering both Arabic and French, detailed historical and religious background that helps visitors travel with awareness and sensitivity, and in-depth travel information, Bradt's Lebanon is an indispensable practical companion to visiting this excitingly varied country.
