Bowman, 2003-06-16 Examine the effects of childhood trauma on sexual orientation and behavior This pioneering book examines the effects of childhood trauma including sexual abuse on sexual orientation and behavior It will help you expand your sensitivity and expertise in a critically important way by providing a nonjudgmental look at the profound effects of long standing early abuse on the sexual identities orientation behaviors and fantasies of the people who come to you for help From the editors In the modern era of trauma studies clinicians and researchers have been treating and investigating the effects of trauma including the sexual abuse of children for more than two decades And yet we know far more about sequelae such as post traumatic and dissociative symptoms disrupted attachment addictions eating disorders and somatoform symptoms than we do about the effects of trauma on sexual behavior With the exception of a relatively few articles in the scientific literature many of which were written by the authors in this collection little has been published about the sexual effects of sexual abuse and other childhood maltreatment Why have we neglected this obvious and important area Perhaps the reason can be simply attributed to our Victorian legacy of reluctance to openly discuss sexuality Or perhaps the reason may be related to some of the expressions of sexuality that are sometimes seen in persons with childhood trauma At times expressions such as sexual addiction homosexuality sadomasochistic behavior and prostitution have been classified as deviant This may have contributed to our reluctance to discuss them openly Or perhaps the reason is that we collectively wish to deny the effects of abuse on one of the core aspects of ourselves to deny that early traumatic events forever change the sexual lives of persons in such an intimate and profound way The co *The Advocate* ,2004-08-17 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Editor & Publisher** ,1972 *Pure-bred Dogs, American Kennel Gazette* ,1973 **Billboard** ,1996-11-23 In its 114th year Billboard
