Small Ecstasies:

Little Miss Lustrig Agnes Giberne, 1896 **Seeing Through the Eye** Cecil Kuhne, 2016-01-22 Malcolm Muggeridge was one of Great Britain's most well known journalists and television personalities having interviewed practically every major public figure of his time. He shocked the world with his conversion to Christianity later in life. St Mugg as he was affectionately known, was clear in his new found faith. It is the truth that has died not God and Jesus was God or he was nothing. These wonderful selections of Muggeridge's writings and speeches cover a wide variety of spiritual themes revealing his profound faith, great wit and lively writing style. Topics include Jesus, The Man Who Lives, Is There a God, The Prospect of Death, Do We Need Religion, Peace and Power and many more. The counter countercultural declaration of Mr Muggeridge's conversion was especially eye catching given the great legions traveling in the opposite direction. His larger public knew him through his work as a television host and critic. But all of literate England and much of America knew him as a learned and incisive journalist who had written *Winter in Moscow*, a searing exposé of Communism. His intellect and historical savoir faire gave his criticisms a very long reach. In America he made regular appearances as book editor of *Esquire* magazine. No Englishman has a more mordant, more attractive wit. William F Buckley Jr. From the Introduction **Ascent of the Mountain, Flight of the Dove** Michael Novak, 2011-12-31 The essence of *Ascent of the Mountain, Flight of the Dove* remains intact: its vision of religious studies as sustained reflection on our lifelong voyage to discover who we are. The story we choose for ourselves, the story we live, can sacralize or secularize our lives and our world by the way in which we choose to relate to it. With this awareness of the story dimension of life, *Ascent of the Mountain, Flight of the Dove* opens us to awe, reverence and wonder at the risks and possibilities of human freedom. This book is even more important than it was thirty years ago. We need religion to strike deeply into the self, away from public glare. Unless Americans become more sophisticated about the language of the self, inner life will shrivel. In addition, our people will continue to be vulnerable to fundamentalist movements. Such movements take over too many innocents. They promise and sometimes deliver a touching happiness. But they do so by closing the spirit in a powerful and dangerous way. Families and schools do not provide a large and critical vocabulary by which to express the inner longings of the spirit. The souls of many are parched and they gladly accept water, any water, from those who offer it. The liberation of the religious spirit from trivial, closed and simplistic systems of thought can only be achieved through the development of a critical language, exercises and disciplines that open rather than close the mind, that lead to higher viewpoints, breakthroughs and new syntheses in a constant enlargement of spirit. Novak's book leads us to that place. **Rivers of Light** Miriam Kalman Friedman, 2019-04-04 Growing up in a conservative middle class family in Texas, Claire Myers Owens sought adventure and freedom at an early age. At twenty years old, she left home and quickly found a community of like minded free spirits and intellectuals in New York's Greenwich Village. There Owens wrote novels and short stories including the controversial novel *The Unpredictable Adventure: A Comedy of Woman's Independence* which

was banned by the New York Public Library for its risqué content. Drawn to ideals of self-actualization and creative freedom, Owens became a key figure in the Human Potential Movement along with founder Abraham Maslow and Aldous Huxley and became an ardent follower of Carl Jung. In her later years, Owens devoted her life to the practice of Zen Buddhism, moving to Rochester, NY, where she joined the Zen Center and studied under Roshi Philip Kapleau. She published her final book, *Zen and the Lady*, at the age of eighty-three. Friedman's rediscovery of Owens brings well-deserved attention to her little-known yet extraordinary life and passionate spirit. Drawing upon autobiographies, letters, journals, and novels, Friedman chronicles Owens's robust intellect and her tumultuous private life, and along the way shows readers what makes her story significant. With very few role models in the early twentieth century, Owens blazed her own path of independence and enlightenment.

Ascent of the Mountain, Flight of the Dove J. Bowyer Bell, 2017-09-29 The essence of *Ascent of the Mountain, Flight of the Dove* remains intact: its vision of religious studies as sustained reflection on our lifelong voyage to discover who we are. The story we choose for ourselves, the story we live, can sacralize or secularize our lives and our world by the way in which we choose to relate to it. With this awareness of the story dimension of life, *Ascent of the Mountain, Flight of the Dove* opens us to awe, reverence, and wonder at the risks and possibilities of human freedom. The Cliff-Dwellers Henry Blake Fuller, 2022-11-13 In *The Cliff Dwellers*, Henry Blake Fuller crafts a vivid portrayal of the burgeoning urban landscape of late 19th-century Chicago. Using a distinct naturalism infused with evocative imagery, Fuller weaves together the lives of a diverse cast of characters exploring their struggles and aspirations against the backdrop of a rapidly changing society. He adeptly captures the tensions between the emerging middle class and the established social structures, illustrating the moral ambiguities and unique challenges that arise in a city teetering on the brink of modernity. This novel not only reflects the pulsating energy of urban life but also critiques the societal norms that dictate personal ambitions and relationships within the newly industrialized American milieu. Henry Blake Fuller, an influential figure in American literature, is often credited with pioneering the Chicago literary renaissance. His experiences in the city, along with his keen observations of its socioeconomic dynamics, informed his writing.

As a contemporary of naturalist writers such as Theodore Dreiser Fuller's deep engagement with the cultural and architectural transformations of his time led him to address themes of identity and community making *The Cliff Dwellers* a poignant exploration of urban existence Readers seeking a profound understanding of the complexities of urban life in post Civil War America will find *The Cliff Dwellers* an invaluable text Fuller's nuanced storytelling and intricate character development provide a compelling lens through which to examine the intersection of personal and societal challenges This novel is not just a snapshot of an era but a timeless reflection on the human condition making it a must read for anyone interested in the evolution of American literature

Politics, Culture and the Lebanese Diaspora Nathalie Nahas,Paul Tabar,2010-07-12 This book is a collection of essays that were originally presented at a conference at the Lebanese American University in late May 2007 entitled Politics Culture and the Lebanese Diaspora It looks at various facets of the Lebanese Diaspora and examines the politics and culture of Lebanese migrants and their descendants in different parts of the world while detailing the communal national and transnational elements of these practices and exploring the changing characteristics of politics and culture in respect to migration Diaspora and globalization The essays raise questions about the in compatible and interpenetrating relationships between these dynamics and analyze processes of identity formation as cultural manifestations of migratory politics The book is divided into three main sections The first section deals with issues of identity and multiculturalism among Lebanese emigrants concluding that identities are continuously molded and negotiated in the diaspora It examines the formation of identities among second and third generation migrants and the changing conceptions of the meaning of roots and homelands The second section deals with politics and activism in the Diaspora It looks at how diasporas relate to the political processes in their homelands during post conflict resolution and explores the role of Lebanese migrants abroad in the process of peace building back home The third part deals with the Diaspora in literature and media through the assessment of key writings on the explorations of self of the Lebanese abroad drawing on how symbols of identification and conventions of representation become sites of conflict over time The wide variety of perspectives presented in these papers invite us to challenge the notion of a fixed bounded and rigid homeland and identity and move towards one that is more

nomadic and fluid They call us to pay attention to the symbols used in the cultural construction of both homelands and identities in the country of immigration and to think of the complex ways in which transnational politics affect the homeland and are in turn affected by it
