D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional
