Small and Medium-Sized Enterprises in the Global Economy Zoltan J. Acs, Bernard Yeung, 1999-04-28 DIVExplores how and why small and medium sized businesses are flourishing in the global marketplace div **Big Ideas for Small Mathematicians** Ann Kajander, 2007-08 Introducing sophisticated mathematical ideas like fractals and infinity these hands on activity books present concepts to children using interactive and comprehensible methods With intriguing projects that cover a wide range of math content and skills these are ideal resources for elementary school mathematics enrichment programs regular classroom instruction and home school programs Reproducible activity sheets lead students through a process of engaged inquiry with plenty of helpful tips along the way A list of useful terms specific to each activity encourages teachers and parents to introduce students to the vocabulary of math Projects in this first of the two Big Ideas books include Straw Structures where children get hands on experience with measurement and 3 D visualization Kaleidoscopes in which students use geometry to build a mathematical toy and Crawling Around the Mobius Strip where kids build a physical example of infinity *A Dictionary of Modern English Usage* H. W. Fowler, 2010-10-14 What grammarians say should be has perhaps less influence on what shall be than even the more modest of them realize No book had more influence on twentieth century attitudes to the English language in Britain than Henry Fowler s *Dictionary of Modern English Usage* It rapidly became the standard work of reference for the correct use of English in terms of choice of words grammar and style Much loved for his firm opinions passion and dry humour Fowler has stood the test of time and is still considered the best arbiter of good practice In this new edition of the original Dictionary David Crystal goes beyond the popular mythology surrounding Fowler s reputation to retrace his method and arrive at a fresh evaluation of his place in the history of linguistic thought With a wealth of entertaining examples he looks at Fowler s stated principles and the tensions between his prescriptive and descriptive temperaments He shows that the Dictionary does a great more than make normative recommendations and express private opinion In addition he offers a modern perspective on some 300 entries in which he shows how English has changed since the 1920s ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *Small Is Big!* Tony Dale, Felicity Dale, George Barna, 2011-05-25 Church planters Tony and Felicity Dale and acclaimed researcher George Barna bring a big message to God s church How might we change the world if our Christian faith began multiplying at a rapid pace through a way of life that is explosive and transformational It happened once before in the early days of the church what will it take to bring us to that point of urgency and determination again *Small Is Big* originally published as *The Rabbit and the Elephant* offers keys to 21st century evangelism leveraging the power of the small and taking the gospel to where the people are and the pain is And

as God uses us to channel Jesus love into a hurting desperate world we ll see his church grow beyond anything we could have imagined
