The Pushcart War Jean Merrill,2015-09-29 The best book about politics ever written for children The Washington Post 50th Anniversary Edition now in paperback DO YOU KNOW THE HISTORY OF THE PUSH CART WAR THE REAL HISTORY It s a story of how regular people banded together and armed with little more than their brains and good aim defeated a mighty foe

Not long ago the streets of New York City were smelly smoggy sooty and loud There were so many trucks making deliveries that it might take an hour for a car to travel a few blocks People blamed the truck owners and the truck owners blamed the little wooden pushcarts that traveled the city selling everything from flowers to hot dogs Behind closed doors the truck owners declared war on the pushcart peddlers Carts were smashed from Chinatown to Chelsea The peddlers didn't have money or the mayor on their side but that didn't stop them from fighting back They used pea shooters to blow tacks into the tires of trucks they outwitted the police and they marched right up to the grilles of those giant trucks and dared them to drive down their streets Today thanks to the ingenuity of the pushcart peddlers the streets belong to the people and to the pushcarts The Pushcart War was first published more than fifty years ago It has inspired generations of children and been adapted for television radio and the stage around the world It was included on School Library Journal's list of One Hundred Books That Shaped the Twentieth Century and its assertion that a committed group of men and women can prevail against a powerful force is as relevant in the twenty first century as it was in 1964 National Symposium on Commercial Truck Exposure Estimation: Proceedings ,1979 **Gas Mileage Guide. 1980.
