**The Smart Investor's Survival Guide** Charles Carlson,2002-03-26 For today s shell shocked individual investors financial expert Charles B Carlson offers hands on advice on how to survive and thrive in a wildly fluctuating market The economic recession of the past year followed by the tragedy of September 11 sent a ripple of panic through investors in 2001 The market shed trillions of dollars in wealth and hundreds of thousands of individual investors suffered substantial financial losses The volatility we experienced last year was more than a fluke argues investment expert Charles B Carlson With the ongoing changes in the economy including changes in corporate reporting laws instant availability of financial information and the ability to buy and sell stocks with the touch of a keystroke volatility is here to stay But volatility isn t necessarily a

bad thing In fact Carlson argues if you know how to weather today stormy markets investing in them can be very profitable In The Smart Investor s Survival Guide Carlson shows investors how to make volatility work to their advantage First he argues it is critical that investors match their investment style growth value buy and hold to the kinds of stocks they pick For long term investors Carlson recommends that a portion of their portfolio be invested in what he calls the calm eye of the storm easy hold stocks that have consistent steady growth and very low volatility Even in the terrible market downturn of 2000 when the Nasdaq lost 39 percent of its value and stocks like Lucent and Cisco saw their share price drop by 80 percent or more a number of investment sectors actually gained in value The Dow Jones index minus its technology stocks broke even In other words even in the worst markets not every stock or sector goes down Through what he calls the nine essential laws of successful investing in a volatile market Carlson reveals How to diversify the portfolios across stock sectors and investment vehicles The critical importance of matching one s investment style value growth buy and hold to the kinds of stocks one invests in The importance of easy hold no brainer stocks in a portfolio stocks that will grow 10 to12 percent a year with minimal volatility Written by one of the most trusted names in the financial community The Smart Investor s Survival Guide shows investors how to master today s turbulent markets and profit from them

American Book Publishing Record, 2007

The Complete Guide to Real Estate Options Steven D. Fisher, 2007 You are about to learn the true secret of real estate investing real estate options WHO really makes money in Real Estate Realtors sellers appraisers the bank brokers mortgage brokers closing companies attorneys taxing authorities and lastly perhaps you the investor who takes all the risk and does all the work while having to evict tenants and clean up their mess after they've left But there is a new unique and innovative method of investing in real estate A Real Estate Option gives you control of a piece of real estate without actually purchasing it By having an option on a piece of property you have the exclusive right to buy that property or not A real estate option is simply a contract between the seller and buyer giving you the legal right not obligation to buy the property at a set price for a predetermined time When you find a buyer for the property you cash in your option and deposit a large check Most real estate investment methods require you to sink a lot of your money time and effort into your investments And it is a slow process usually one property at a time often part time

Using an option instead of purchasing means you do not have to deal with rental property tenants maintenance and repairs taxes mortgage payments commissions or closing costs In this new book you will learn how to control a vast real estate portfolio without ever buying the property Let the owner keep paying the mortgage dealing with tenants and all of the costs You zero in on the profits Here is an example you locate a duplex worth 400 000 you purchase an option to buy it for 340 000 anytime within the next 120 days On Day 60 you find a buyer who will pay the full 400 000 you activate the option pay the seller 340 000 and pocket 60 000 This is a simplified example but this new book details how to become a highly successful real estate option buyer and it demonstrates step by step how to get started in this highly rewarding investment strategy Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e tm s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed [The Only Guide to a Winning Investment Strategy You'll Ever Need](#) Larry E. Swedroe,2024-03-26 Investment professional Larry E Swedroe describes the crucial difference between active and passive mutual funds and tells you how you can win the investment game through long term investments in such indexes as the S P 500 instead of through the active buying and selling of stocks A revised and updated edition of an investment classic The Only Guide to a Winning Investment Strategy You ll Ever Need remains clear understandable and effective This edition contains a new chapter comparing index funds ETFs and passive asset class funds an expanded section on portfolio care and maintenance the addition of Swedroe s 15 Rules of Prudent Investing and much more In clear language Swedroe shows how the newer index mutual funds out earn out perform and out compound the older funds and how to select a balance passive portfolio for the long haul that will repay you many times over This indispensable book also provides you with valuable information about The efficiency of markets today The five factors that determine expected returns of a balanced equity and fixed income portfolio Important facts about volatility return and risk Six steps to building a diversified portfolio using Modern Portfolio Theory Implementing the winning strategy and more
