Genesis R. Kent Hughes, 2004-10-26 The book of Genesis contains some of the most beautiful and well known stories in the Bible the garden the flood the tower of Babel and the lives of the patriarchs But these are more than just good stories They lay the groundwork for God's relationship with humanity and for his plan for our salvation making Genesis foundational to understanding everything else that happens in the Bible Genesis reveals much about human nature and the nature of God From the actions of the first man and woman we see where our rebellious sinful nature originates And through the whole book we see the hand of a sovereign God who is loving and merciful but also just and holy Time and again in Genesis God showers his grace upon undeserving humanity giving us our first tastes of God's enduring faithfulness that shines throughout

the entire Bible R Kent Hughes respected pastor and author of many other commentaries in the Preaching the Word series takes readers back to the beginning of the Bible and moves through Genesis with careful exegesis He explores the superbly crafted structure of the book as well as the weighty themes it contains For those who preach teach and study God s Word this exceptionally detailed work will reveal much about the beginnings of God s great story Part of the Preaching the Word series

A Historical Perspective on Light Infantry Scott Ray McMichael,1987 This study seeks to clarify the nature of light infantry General characteristics of light infantry forces are identified and an analysis of how light forces operate tactically and how they are supported is presented In the process the relationship of the light infantry ethic to its organization is evaluated and the differences between light infantry and conventional infantry is illuminated For the purpose of this study the term conventional infantry refers to modern day motorized and mechanized infantry and to the large dismounted infantry forces typical of the standard infantry divisions of World War II the Korean War and the Vietnam War The study concludes that light infantry is unique and distinct A light infantry ethic exists and manifests itself in a distinctive tactical style in a special attitude toward the environment in a freedom from dependence on fixed lines of communication and in a strong propensity for self reliance The study is based on a historical analysis of 4 light infantry forces employed during and since World War II The Chindits in the 1944 Burma campaign against the Japanese The Chinese communist Forces during the Korean War British operations in Malaya and Borneo 1948 66 and the First Special Service Force in the mountains of Italy 1942 44 p 2 of cover *Army JROTC Leadership Education & Training* United States. excitement of the city itself while celebrating New York as both a place and an idea **Battle Born** Dale Brown,2009-11-04
Author of an extraordinary string of New York Times bestselling novels Dale Brown is the undisputed master of the aerial
techno thriller Filled with explosive adventure unforgettable characters and authentic technology set against political
scenarios so real they often anticipate world events each of Dale Brown's novels is a major event Now he returns to the
airspace only he can truly call his own in a blockbuster novel about a world on the brink of World War III and a new
generation of brash young heroes Patrick McLanahan is back The veteran navigator bombardier and brigadier general in the
U S Air Force has been sent to a B 1B Lancer unit in Nevada to develop and train a tactical strike unit designed to seek out
and destroy enemy missiles He has his pick of the most aggressive Type A personalities in the flying game though it may take
years to pull this bunch of mavericks together to fight as a team Then time runs out The fragile peace in Asia is shattered
when what was supposed to be a joint U S Japan South Korea mock bombing raid turns lethal Instead of hewing to the script
South Korean fighter bombers streak north to destroy several North Korean command and control special forces and secret
police centers in support of a massive people's revolt against the Communist regime To the world's surprise the raids are a
complete success The North Korean military surrenders The borders are thrown wide open and the United Republic of Korea
is born But this United Korea is also the world's newest nuclear power It refuses to destroy thousands of captured nuclear
chemical and biological weapons which it sees as potent protection against the massive threat of China to its north Vowing
never again to be anyone's puppet it is ready to defy the United States and even attack China in order to preserve its
sovereignty Thus begins a conflict that threatens to embroil all of Asia Enter McLanahan's raw audacious team Sent into the
fray both to protect United Korea and to stop it from touching off World War III Patrick's small but potent hunter killer
bomber force has the world's newest most powerful nonnuclear weapon at its disposal if its aces ever stop fighting each
other long enough to start fighting the enemy Relentlessly paced filled with the you are there feel of supersonic flight Battle
Born delivers the technology action and drama that Brown fans savor It is this marvelous storyteller's most exciting and
satisfying novel yet [Air University Library Index to Military Periodicals](#) ,1996
