

SO YOU DON'T BELIEVE JESUS IS GOD

A LETTER FROM ONE OF MY SUBSCRIBERS

BY WATCHMAN DEAN

JULY 21, 2012

I received a letter from one of my subscribers at Scribd.com back in 2011. I did not know the message was there because Scribd does not have a "message alerting" system in place. (I honestly did not know that so I never check my message box). When I tried to answer the letter today (almost a year later) the CAPTCHA system would not work. I made ten different attempts and every time I failed and was given a new message. I then tried to use the "AUDIO" challenge instead and what a challenge it was. It was several minutes of incoherent nonsensical sounds from a computer voice, you couldn't make out one single word. So, I shall instead answer this letter as a published article, because MUCH of the questions sent to me by this individual are common questions that trinitarians have for someone who preaches what I preach.

THE LETTER AS IT WAS RECEIVED

Hi Jeffrey. So, you don't believe Jesus is God? Are you a Mormon or a Jehovah's Witness?

Nothing So Absurd Phillip Hoffmann,2003-09-02 Written in clear non technical language Nothing So Absurd is a succinct and accessible introduction to topics in the history of Western philosophy In seven concise chapters the author introduces the reader to the central topics within the discipline In some cases such as metaphysics and epistemology he adopts a historical approach while in others such as ethics and philosophy of religion the focus is as much on contemporary issues as it is on historical developments In each area he presents material of great intrinsic interest in a fashion that also provides a sense of the broad sweep of the discipline This book provides a fair minded exposition of a wide range of viewpoints throughout and dwells in its final chapter on the virtues of philosophical realism thus presenting the reader with the opportunity to engage with a direct philosophical argument A guide to further reading will assist readers new to philosophy

Removing Rebellion's Roots Olan Stubbs,2025-04-18 All people deal with intrusive thoughts at times All of us have some practices in our lives we are not proud of Many would call these struggles sins Why are there thoughts and deeds we hate yet that recur so often in our lives The Bible teaches there is a real supernatural source behind these thoughts and deeds Satan is real but so is God God s word has all the truth and power we need to set us free from the influence of sin and Satan Satan will use the events of our personal lives to convince us that lies are true He is very convincing He will lie to us about God about ourselves about the gospel and about all of life He roots his lies in enough truth to make them very believable Discerning them is not always easy Satan is very crafty shrewd and subtle God s word and Spirit are able to give us all that we need to take each sinful thought captive Further God supplies the truth that must replace Satan s lies God s truth is the foundation for a holy life God s truth is the pure substance we need to replace the roots of our sinful practices

Flea Market Jesus Arthur E. Farnsley II,2012-06-01 Americans live their lives through institutions government businesses schools clubs and houses of worship But many Americans are wary of the control these groups especially government and business exercise over their lives Flea Market Jesus provides an up close look at the rugged individualism of those trying hardest to separate themselves from institutions flea market dealers Having spent most

of his life studying American religious organizations Art Farnsley turns his attention to America's most solitary and alienated entrepreneurs Farnsley describes an entire subculture of white Midwesterners working class middle class and poor gathered together in a uniquely American celebration of guns and frontier life In this mix the character Cochise voices the frustrations of flea market dealers toward business politics and especially religion Part ethnography part autobiography Flea Market Jesus is a story about alienation biblical literalism libertarianism and deep seated religious belief It is not about the Tea Party the Occupy movement or the Christian Right but it shines a light on all of these by highlighting the potent combination of mistrust resentment and personal liberty too often kept in the shadows of public discourse among educated elites
