So You Want To Be A Nurse Fells Official Knowitall Guide:

So You Want to Be a Nurse? Marianne Pilgrim Calabrese, 2004-05 *So You Want To Be A Nurse* is a book that will educate nurses and aspiring nurses alike on how to excel in the health care system. It reveals everything no one wants to tell you about the nursing profession. It tells how to save the reader the agony of on the job trial and error training and gives you a head start in using experienced strategies in order to succeed. Readers will learn how to find the best nursing position for their personality and ability and how to deal with administrators, physicians, colleagues, patients and their families. It also tells you how to survive in a hospital once you get a nursing position. There are The Ten Commandments of Nursing such as Don't put your own beliefs ahead of the patient's. Choose your work friends cautiously and offers tips on fundamental issues nurses face today.

So You Want to Be a Doctor Niriksha Malladi, 2005 *So You Want To Be A Doctor* is a practical how to guide about becoming a medical doctor from an insider's perspective. It addresses all the strategies needed to succeed as a medical school candidate and then goes a step further than any other admissions guide on the market today to provide a glimpse of life as a medical student and intern through real ward experiences. It provides a thorough explanation of the different medical fields and explores issues such as lifestyle, salary and competition for residency and fellowship positions for each specialty. It outlines options for not traditional students seeking a medical career namely older candidates, ethnic minorities, economically disadvantaged students and members of the Armed Forces. It also includes a section on Canadian, foreign and osteopathic medical schools as alternatives to obtaining an American medical degree. In short, it describes the complete journey from thinking about a career in medicine to qualifying as a licensed MD.
