So You Want To Be An Elementary School Principal:

So You Want to Teach, Eh? A. Artson Shirley a. Artson, Shirley A. Artson, 2010-03 Teaching is not for wimps Prospective teachers must be intellectually physically mentally and emotionally strong to be effective in the classroom and to survive in the profession In So You Want to Teach Eh author and retired teacher Shirley Artson presents an honest perception of teaching Based on her personal experiences teaching in the Baltimore City Public Schools for twenty four years and in private schools Artson shares not only her early fears and doubts but also her successes and joys So You Want to Teach Eh discusses the barriers she faced as a new teacher and provides an account of how she hurdled the many problems she faced So You Want to Teach Eh helps those who are considering teaching as a profession to make an intelligent decision It also encourages those who are currently teaching to know they are not alone in their struggle Not intended to discourage interest in the profession Artson candidly shares her experiences to enlighten prospective educators and to prevent them from becoming frustrated and overwhelmed Her personal story communicates how new teachers can acquire strength of will and character skill and knowledge by fervently challenging the many obstacles they encounter So You Want to Be a Teacher! Harlan Hansen, 2017-03-28 This book is a memoir of a young man making a major occupational change after first embarking on a business career after college and army service Flashbacks to his early family life academic struggles at school the stint in the army an unsuccessful marriage dissatisfaction with the business culture and dealing with limited financial resources are challenges that had to be met But a single encounter with a graduate school faculty member opened the door to a field for which he eventually realizes he is most suited early childhood teacher education Along the way another angel joins in the adventure to foster personal success and promote creative ways of dealing with educational issues bringing new life into the classroom He received two outstanding teaching awards at the University of Minnesota College of Education and Human Development He also received the National Horace T Morse Amoco Outstanding Teaching Award as well as the Governor of Minnesotas Outstanding Service Award He served as president of the National Association of Early Childhood Teacher Educators and he originated the Journal of Early Childhood Teacher Educators So You Want to Be a Teacher? Elizabeth H. Brett, 2013-05-13 So You Want to Be a Teacher is a bit of light reading in a troubled world today I left names by the wayside and emphasized actions especially innovative behavior The students I enjoyed were full of mischief but for the most part it was simply that mischief Very few of the students I taught in my forty years were bad they just needed a bit of love and understanding Who cares what Socrates said when you are a student who had no supper the night before I try to be a stepping stone not a stumbling block **If You Want to Lead, Not Just Manage** Dennis R. Dunklee, 2000-03-13 Effective timely and engaging A practical approach to transforming educators into successful and reflective school administrators John C Daresh Author of Beginning The Principalship Insight into the perceptions personal values and personalities that help principals succeed A successful principal is more than a good manager Becoming an effective school leader means

understanding the culture as well as acquiring the technical skills If You Want to Lead Not Just Manage tells you what the Masters programs don't about the personalities and value systems that school leaders need to succeed First year administrators and graduate students will find this a practical gauge in determining what it takes to become a successful principal More experienced administrators will find it a useful tool for reflection and validation of their own practices and approaches within the school and district Key issues include Matching your personality with the role of principal Navigating the school culture successfully Changing the organization without alienating the culture Blending the best of management and leadership Fitting in marketing yourself as well as your school Culture shock when teachers become principals This is the book that closes the gap between theory and practice teaching prospecting and current administrators how to lead at every level *Public Papers of the Presidents of the United States, William J.
