Blum, 2012-02-14 The first guide to American religious history from colonial times to the present this anthology features twenty two leading scholars speaking on major themes and topics in the development of the diverse religious traditions of the United States These include the growth and spread of evangelical culture the mutual influence of religion and politics the rise of fundamentalism the role of gender and popular culture and the problems and possibilities of pluralism Geared toward general readers students researchers and scholars The Columbia Guide to Religion in American History provides concise yet broad surveys of specific fields with an extensive glossary and bibliographies listing relevant books films articles music and media resources for navigating different streams of religious thought and culture The collection opens with a thematic exploration of American religious history and culture and follows with twenty topical chapters each of which illuminates the dominant questions and lines of inquiry that have determined scholarship within that chapter s chosen theme Contributors also outline areas in need of further more sophisticated study and identify critical resources for additional research The glossary American Religious History A Z lists crucial people movements groups concepts and historical events enhanced by extensive statistical data **Children's Books in Print** , 1993 **American Exodus** Charlotte Brooks, 2019-08-27 In the first decades of the 20th century almost half of the Chinese Americans born in the United States moved to China a relocation they assumed would be permanent At a time when people from around the world flocked to the United States this little noticed emigration belied America s image as a magnet for immigrants and a land of upward mobility for all Fleeing racism Chinese Americans who sought greater opportunities saw

China a tottering empire and then a struggling republic as their promised land American Exodus is the first book to explore this extraordinary migration of Chinese Americans Their exodus shaped Sino American relations the development of key economic sectors in China the character of social life in its coastal cities debates about the meaning of culture and modernity there and the U S government s approach to citizenship and expatriation in the interwar years Spanning multiple fields exploring numerous cities and crisscrossing the Pacific Ocean this book will appeal to anyone interested in Chinese history international relations immigration history and Asian American studies **Abuse Your Illusions** Russ Kick,2003-05-01 The third of Russ Kick s bestselling Disinformation Guides gathers another all star line up of expos s Juries have ruled in recent trials that Watergate was really about a Democratic Party prostitution ring Ignored in the U S and distorted elsewhere the Milosevic tribunal hasn t gone the way authorities were anticipating We present exclusive first hand reporting from the trial Most theologians don t believe in the physical Resurrection of Jesus In 2001 the U S uncovered the biggest spy ring in the country since WWII yet most people never heard about it The U S is engaging in bioweapons research that violates international treaties and federal law The New York Times knows about this but refuses to report it Teddy Roosevelt and Wall Street created Panama for profit Gandhi wasn t so wonderful after all These are just some of the revelations in the third of our all star anthologies Following up on bestsellers You Are Being Lied To and Everything You Know Is Wrong editor Russ Kick has again assembled a line up of leading investigative journalists academics activists commentators and independent researchers covering CIA assassinations the anthrax attacks fluoride TWA 800 Abraham Lincoln child protective services the tobacco industry forgotten uprisings the government s missing trillions even more revelations about 9 11 and much more Contributors include Gary Webb Greg Palast Noreena Hertz Howard Zinn Douglas Valentine Jim Hougan Kristina Borjesson Arianna Huffington and many more well known writers some of whom you ll be extremely surprised to see in these pages

The Patriot Act Herbert N. Foerstel,2008 This easy to use core reference takes on the biggest issue of our day freedom of speech in post 9 11 America No issue is more important to Americans and especially to librarians than the Patriot Act The Patriot Act is one of the longest broadest most sweeping pieces of legislation in American history It introduced a vast edifice of domestic surveillance that has defined the post 9 11 world But the legislation itself is so massive and technical that both supporters and critics have been free to interpret it loosely and in partisan fashion Supporters of the Patriot Act believe that 9 11 irreversibly changed American politics and law enforcement forcing every citizen to cede some traditional civil liberties in order to protect the nation from terrorism Critics respond that many provisions of the Patriot Act were simply resurrected from old FBI wish lists having no relevance to the war on terror and providing little security in exchange for precious liberties This book will not silence the raging debate over the Patriot Act but by presenting relevant source documents analyzed and placed in context it may provide a more reliable basis for the ongoing debate **American Magazine** ,1912
