So You're Having Heart Bypass Surgery:

So You're Having Heart Bypass Surgery Tracey Colella, Bernard S. Goldman, Suzette Turner, 2003 **So You Have Heart Disease So Do We** Linda J. Phillips, 2000-07 Powerful dynamic personal experiences shared by heart patients that the medical profession failed to address Heart disease is the number one killer of both men and women The emotional aspects of this disease are as devastating as the physical illness Heart patients share their experience with this catastrophic illness along with the coping mechanisms they used to live with heart disease This book is divinely inspired to help patients to look to divine guidance in dealing with heart disease Angel encounters as told by the actual people that experienced them Personal testimony of divine healing is explained in depth by the contributors to this book A must read for all heart patients their friends and families **The Women's Healthy Heart Program** Nieca Goldberg, 2008-12-10 WINNER OF THE BOOKS FOR A BETTER LIFE AWARD One out of every two women will die of heart disease It is the single greatest health risk for women today more than stroke and all cancers combined In the course of her practice and as chief of Women's Cardiac Care at New York's Lenox Hill Hospital Dr Nieca Goldberg has come to a startling realization Women experience heart disease in a fundamentally different way than men do The physiology of a woman's heart attack is not the same as a man's the symptoms of heart disease and signs of impending heart attack differ for women and once heart disease has been recognized women often do not get the treatment and medications they require Now here are detailed age specific programs that give women the facts and the guidance they need to recognize treat and prevent heart disease including how you can rate your risk of heart disease the effects of menopause on your heart risk factors you can change starting today a heart healthy exercise plan that works for you a complete guide to heart healthy supplements the truth about hormone replacement therapy and the heart recovering from a heart attack or surgery Authoritative caring and up to the minute this is the women's health book for the new millennium So You're Having a Heart Cath and Angioplasty E. Magnus Ohman, MD, Gail Cox, RN, Stephen Fort, MD, Victoria K. Foulger, RN, 2003-08-08 This book is the ultimate guide to cardiac catheterization heart cath and angioplasty in the US It gives you the information you need to be firmly in the driver's seat from preparing for the first hospital visit through the heart cath and angioplasty procedures to the quickest routes to recovery Real life patient stories extensive self help sections and detailed illustrations fully explain the procedures and a glossary and who's who of medical staff take the mystery out of medicine Also included are a comprehensive directory to Internet and other resources a guide to complementary therapies and a diary to help you keep track of your treatment and your recovery **So You Have High Blood Cholesterol**, 1993 Answers many of the questions one may have about one's blood cholesterol level Provides a glossary to help one become familiar with the terms used in this brochure and in other information about cholesterol Charts and tables **So You Have High Blood Cholesterol** DIANE Publishing Company, 1995-08 Answers many of the questions one may have about one's blood cholesterol level Provides a glossary to help one become familiar with the terms used in this

brochure and in other information about cholesterol Charts and tables *Competition in the FEHB program* United States. Congress. House. Committee on Ways and Means. Subcommittee on Health,2006 Syndrome X Terry Kirsten Strom,Barry Fox,Gerald Reaven,2002-02-28 Millions of Americans follow the best medical advice every day to prevent heart attacks eating the standard low fat high carbohydrate diet so widely recommended by doctors but in fact they are placing themselves at greater risk for heart disease In Syndrome X Overcoming the Silent Killer That Can Give You a Heart Attack Dr Gerald Reaven the world renowned physician who identified and named this silent killer explains why the standard heart healthy diet can be dangerous and lays out a simple six step program to reduce the risk of heart disease for everyone The problem stems from a little known cluster of metabolic abnormalities known as Syndrome X The insulin resistance that lies at the heart of the syndrome can turn normal rules of good health upside down and dramatically increase the risk of heart disease Fortunately Syndrome X can be cured This important book explains how to identify the disorder and provides a program of diet and exercise plus medication when necessary that can render Syndrome X harmless Tested in carefully controlled research settings and in practice this remarkable new approach has the ability to reduce the risk of heart attacks and heart disease for all of us Dr Reaven shows how eating a diet relatively high in good fats 40 percent of calories can dramatically lower the risk of heart disease if you have Syndrome X The approach seems paradoxical Everyone knows that fat is bad so how can more fat possibly lead to better health The answer lies in the type of fat and the body chemistry of the people who consume it If you have the abnormal metabolism called Syndrome X eating a low fat high carbohydrate diet to lower your LDL and blood fats won t protect you In fact doing so will increase the odds of heart disease Millions of Americans have the potentially deadly yet easily identifiable signs of Syndrome X but few cases are detected in time because most physicians don t know what to look for This trailblazing book will change that making doctors and patients aware of the problem and its easy solution an integrated program of diet and exercise that simultaneously reduces all the risk factors for heart disease including Syndrome X Dr Reaven s discovery of Syndrome X has shown us that the standard approach to preventing heart disease is dangerous for many of us Now his safe proven new approach explains how millions can drastically reduce their risk of heart disease His program works not only for those who have Syndrome X but also for anyone who simply wants to reduce the risk of heart disease Seven Steps to Stop a Heart Attack Robert Burns Arnot,2006-01-02 Shares advice on the risk factors symptoms treatment and prevention of heart disease *Unnecessary Surgery* United States. Congress. Senate. Special Committee on Aging,1985 The Heart Truth: Everything you Wanted to Know About Prevention, Treatment and Reversal of Heart Disease Dr Aashish Contractor,2024-07 AN EXHAUSTIVE GUIDEBOOK ON HOW TO TAKE CARE OF YOUR HEART WRITTEN IN SIMPLE AND EASY TO UNDERSTAND LANGUAGE In The Heart Truth Dr Aashish Contractor the leading authority in preventive cardiology and rehabilitation describes how you can treat rehabilitate and prevent heart ailments From problems of the heart to tests that one can do the risk factors surgery recovery reversal of heart disease

medication nutrition and exercise this is an exhaustive guide specifically for the layperson Written in a simple lucid manner with real life examples this book will empower you with the knowledge required to take care of your heart As Dr Contractor who has over eighteen years of experience and has helped over ten thousand patients says taking care of the heart is not rocket science rather it s all about simple steps done consistently Whether you have suffered from a heart condition are at high risk want to prevent heart disease or just want to keep your heart fit and healthy this book is a must read The Complete Encyclopedia of Medicine & Health Johannes Schade,2006 Valuable medical resource contains medical pharmaceutical dental and biological knowledge on diseases treatment healthy living diets stages of life types of drugs and medicines and more supplemented by full color photographs illustrations and diagrams **Power to the Patient** Isadore Rosenfeld,2008-11-07 Following the success of his 1 New York Times bestseller Live Now Age Later Dr Isadore Rosenfeld now offers crucial health advice and potentially life saving information In today s impersonal world of health care conglomerates receiving the best medical advice isn t always possible Superior care means knowing what treatments to insist on when you re sick In this cutting edge guide Dr Rosenfeld describes in detail in plain language and with his trademark humor more than 40 of the most common ailments and diseases affecting millions from acne to cancer plus such diverse disorders as Parkinson s disease infertility gallstones and diabetes The book contains what readers need to know to guarantee that their health care provider and doctor are offering the best care possible **Talking with Patients, Volume 1** Eric J. Cassell,1985-03-27 Spoken language is the most important diagnostic and therapeutic tool in medicine and according to Dr Cassell we must be as precise with it as a surgeon with a scalpel In these two volumes he analyzes doctor patient communication and shows how doctors can use language for the maximum benefit of their patients Throughout Dr Cassell stresses that patients are complex changing psychological social and physical beings whose illnesses are well represented by their own communication He proposes that both listening and speaking are arts that can be learned best when they are based on the way that spoken language functions in medicine Accordingly Volume I focuses on the workings of spoken language in the clinical setting It analyzes such important aspects of speech as paralanguage non word phenomenon like pause pitch and speech rate how patients describe themselves and their illnesses the logic of conversation and the levels of meanings of words Volume II is a practical detailed how to guide that demonstrates the process of history taking and how the doctor can learn the most from the information that the patient has to offer His arguments are amply illustrated in both volumes by transcripts of real interactions between patients and their doctors **The Columbia Presbyterian Guide to Surgery** Eric A. Rose,2001-09-15 Offers advice on deciding when surgery is the right treatment describes how to prepare for hospitalization and what the experience will be like and outlines individual types of operations **Be Heart Smart** Waqar Khan,2021-02-02 IF YOU HAVE CORONARY HEART DISEASE THIS BOOK COULD SAVE YOUR LIFE Coronary heart disease CHD takes the lives of 17 million people every year If you or a loved one have been diagnosed with CHD or suffered a heart

attack there are still ways to live a long heart healthy life In this definitive guide to CHD cardiologist Waqar Khan MD MPH answers common questions and provides easy to follow advice for preventing heart attacks and keeping your heart in tip top shape Using real life patient stories and the latest evidence based science BE HEART SMART Explains what CHD is and how it affects the body Explores the root causes and risk factors for CHD Describes the different types of heart attacks and their warning signs Walks you through the tests used to diagnose coronary problems Discusses the medications prescribed to combat CHD including their side effects Reveals the latest advancements in surgical and non surgical interventions Written in easy to understand language BE HEART SMART helps you better understand CHD and gives you the knowledge you need to take charge of your heart health It s just like having your own personal cardiologist on call *Daily Readings from You Can, You Will* Joel Osteen,2015-10-20 Become an undeniable winner every day with this daily reading companion for You Can You Will from Lakewood Church pastor and 1 New York Times bestselling author Joel Osteen There is a winner in all of us The key is to get it out With daily readings from his smash hit You Can You Will Joel Osteen guides readers day by day through the eight undeniable qualities of a winner With practical tools advice and encouragement it is designed to guide encourage and uplift you every day of the year Readers will be inspired daily to discover the eight traits of success from a new perspective as they are challenged by insightful reflection questions motivated by specific calls to action and inspired by relevant Scripture verses Special Treatment Kevin J.
