**Book 4: Soccer Coaching Knowledge** Bert Holcroft, 2014-01-21 The Holcroft saga is a rugby story the like of which may never have been equalled in the history of the game. It begins over a century ago when Mr George Holcroft was given charge of Leigh St Peter's R.L.F.C. in 1889. He married and when his family grew up Jack, Harry, William and Tom all played for local teams. They married and George's grandsons Bert and Bill also played. Bert Holcroft has been a distinguished servant for the game of Rugby all his life. He holds coaching certificates from BOTH the Australian and British governing bodies, one of only a handful of men to achieve such an honour in the game's history. For 20 odd years Bert Holcroft has had one of the unlikeliest jobs in sport: teaching Australian Rugby Coaches how to coach. Considering the Australian dominance of World Rugby in recent years, that might seem a paradox with taking coal to Newcastle. But make no mistake, Bert Holcroft has done as much as anyone to ensure Australia's re-emergence as a major Rugby power. On the face of it, Australia wouldn't seem to need any outside help, let alone from a Pom. Their record of only one Test defeat since 1978 speaks for itself. But Bert's reputation is nation-wide, and quite simply, he's one of the best in the business. Bert, who played for Leigh between 1950-60, has spent much of his latter years down under lecturing to top-grade coaches in New South Wales. Born and bred in Cameron Street, Leigh, Bert has few peers when it comes to teaching the basics of the 13-a-side game. Since emigrating in the late 60s, Bert has dedicated his life to coaching and fitness techniques. Teams in Queensland, New South Wales and Sydney have all come under his influence, often with spectacular results. Bert's credentials are impeccable. Last summer he achieved the highest accolade in Australia, his Grade Three certificate personally signed by the then Australian league chairman Kevin Humphreys and the Director of Coaching Peter Corcoran. Three years earlier, Bert had sailed through his Grade One and Two with flying colours. In 1953 he was awarded his senior coaching certificate in England. Bert, who held a number of posts at Hilton Park before emigrating to Australia, has spent a lot of his time heavily involved with Rugby in the universities there. He became director of coaching for the University of New South Wales and later coach

of the Combined Universities side Coaching Accreditation awarded by the Australian Institute of Sport Department of Sport and Recreation NSW and the NSW Rugby League for administration as well as being awarded National Coaching Certificates in both Britain and Australia one of only a handful of people to do so Eventually the offer of a job in Sydney came to coach Premiership glamorous club Eastern Suburbs

this team game and the role of the team in a sport lit up by the brilliance of individuals There are drills listed to help the player and his side Indeed it is drills that lead to players becoming experts as good as they can be Drills take the individual components of soccer and allow practice in a pressure free or pressure controlled environment What you very much do not want is to be learning new concepts under the pressure of the examination hall That is the place to show what you can do not try out risky ideas In many ways sport is the same For soccer the examination is the match learning the skills is like gaining your understanding of Shakespeare applying those skills is automatic in the chaos of the game Those exercises you worked on in training ensure that you are fit enough to survive the game at your best And just like a piece of great literature so a great soccer performance is made up of separate elements which combine to produce the art form that is the beautiful game Just as you could examine character plot language and metaphor when studying Macbeth a great performance in soccer is made up of control passing shooting defending and teamwork Those elements can be broken down practiced and perfected during drills The drill allows for experimentation failure and error does not matter Indeed we learn through our mistakes There is less pressure during a drill so time can be spent getting the individual skills and movements right A good coach can help a player focus on areas of weakness Pressure can be introduced slowly and in a controlled way ratcheted up to recreate conditions more like those in the match situation During practice sessions often younger and probably older players long for the game Can we play a match now is the sort of request coaches of younger players will recognize readily And that is fine a little match perhaps one that reinforces the skills on which the session focuses on makes a fun and useful end to a coaching session But drills are crucial in helping players to become the best they can be These skill sessions can be focused on the individual working on technique perhaps in groups of two to four they can also be larger group drills or whole team activities which help mutual understanding and coordination Here s a Preview of What You ll Learn from This Book Soccer for the Individual Soccer for the team Keeping Possession Short Passing Drills Shooting Drills Long Passes Drills Dribbling Drills Fitness Drills Communication Drills Team Passing Drills Team Interception Drills Possession Drills Scroll up and download now [Intelligent Soccer Training](#) Fabian Seeger,Andree Fincke,2020-01-01 Intelligent Soccer Training is the follow up book to The Soccer Games and Drills Compendium 350 Smart and Practical Games to Form Intelligent Players In this companion you will find 150 training exercises that teach the basic tactical and technical skills of modern soccer including running behavior running chasing and catching ball techniques ball control dribbling first touch control passing and shooting group tactics various games entries as well as how to improve action speed and game intelligence With its wide range of information the book is useful for all playing ages and performance levels Intelligent Soccer Training veers from known training content and instead presents innovative and modern training forms of basic training developing new forms and extending the range of exercise and play for the interested trainer Ultimately trainers should get to know new exercises and modern and additional forms of play to expand their repertoire to be able to offer varied and motivating training for their
