McNally, 2009-07-22 Using archival and ethnographic research Michael D McNally follows the making of Ojibwe eldership showing that deference to older women and men is part of a fuller moral aesthetic and cosmological vision connected to the ongoing circle of life and tradition of authority that has been crucial to surviving colonization Man the Hunter Richard Borshay Lee, Irven DeVore, 2017-07-12 Man the Hunter is a collection of papers presented at a symposium on research done among the hunting and gathering peoples of the world Ethnographic studies increasingly contribute substantial amounts of new data on hunter gatherers and are rapidly changing our concept of Man the Hunter Social anthropologists generally have been reappraising the basic concepts of descent fi liation residence and group structure This book presents new data on hunters and clarifi es a series of conceptual issues among social anthropologists as a necessary background to broader discussions with archaeologists biologists and students of human evolution **Current Catalog** National Library of Medicine (U.S.), First multi year cumulation covers six years 1965 70 Applied Anthropology in Canada Edward J. Hedican, 2008-07-05 Anthropologists are often reluctant to present their work relating to matters of a broad social context to the wider public even though many have much to say about a range of contemporary issues In this second edition of a classic work in the field Edward I Hedican takes stock of Anthroplogy's research on current indigenous affairs and offers an up to date assessment of Aboriginal issues in Canada from the perspective of applied Anthropology In his central thesis Hedican underlines Anthropology s opportunity to make a significant impact on the way Aboriginal issues are studied perceived and interpreted in Canada He contends that anthropologists must guit lingering on the periphery of debates concerning land claims and race relations and become more actively committed to the public good His study ranges over such challenging topics as advocacy roles in Aboriginal studies the ethics of applied research policy issues in community development the political context of the self government debate and the dilemma of Aboriginal status and identity in Canada Applied Anthropology in Canada is an impassioned call for a revitalized Anthropology one more directly attuned to the practical problems faced by First Nations peoples Hedican's focus on Aboriginal issues gives his work a strong contemporary relevance that bridges the gap between scholarly and public spheres Historicizing Canadian Anthropology Julia Harrison, Regna Darnell, 2011-11-01 Historicizing Canadian Anthropology is the first significant examination of the historical development of anthropological study in this country It addresses key issues in the evolution of the discipline the shaping influence of Aboriginal anthropological encounters the challenge of compiling a history for the Canadian context and the

place of international and institutional relations The contributors to this collection reflect on the definition and scope of the discipline and explore the degree to which a uniquely Canadian tradition affects anthropological theory practice and reflexivity Historicizing Canadian Anthropology is a watershed that will revitalize critical reflexivity within the field With contributions from a broad cross section of anthropologists from senior scholars to doctoral students this book is essential reading for practising Canadian anthropologists their students and others who seek to understand the historical contours of Shawnee Minisink Charles W. McNett, 2014-05-10 Studies in Archaeology Shawnee Minisink A Stratified the field Paleoindian Archaic Site in the Upper Delaware Valley of Pennsylvania focuses on the excavation of the Shawnee Minisink and its connection with the lifestyles of the earliest inhabitants of North America The selection first offers information on the Upper Delaware Valley Early Man Project early history of archaeological research at the Shawnee Minisink Site and methodology and research design at the Shawnee Minisink Site Discussions focus on data recovery design evaluation of methodology research context and goals The text then examines the biophysical conditions of the Upper Delaware Valley aboriginal subsistence and site ecology as interpreted from microfloral and faunal remains and artifact morphology and chronology at the Shawnee Minisink Site The book takes a look at myth reality and the Upper Delaware Valley Paleoindian artifact form and function at Shawnee Minisink and Paleoindian to early archaic transition at the Shawnee Minisink Site Topics include environmental setting lithic analysis results secondary modifications hafting endscraper distributional pattern analytic technique and procedure and paleoecological reconstruction The selection is a dependable reference for archeologists wanting to conduct further studies on the Shawnee Minisink Site The Chippewa and Their Neighbors Harold Hickerson, 1985 The Community Apart Yngve Georg Lithman, 1984-01-01 A thoughtful account of life on a reserve and of the interaction of Native people with White society this volume is based on the author's three years experience with one Indian band on the prairie during a period in which there were intense negotiations between the band and the federal government Lithman's analysis of the political manoeuvring of both sides makes this a rare contemporary account

Creative Dreaming Patricia Garfield,1995-07 With more than 250 000 copies sold this classic exploration of dreams and how to use them has been updated to reflect recent research on dreams and dreaming From Hard Rock to Heavy Metal Michelle Rae Bebber, Christopher B. Wolff,2025-07-01 The discovery and development of metals as tool media is a topic of global interest This phenomenon is generally associated with sedentary agricultural societies however in North America metal use by hunter gatherer populations began as early as 9 000 years ago and continued into modern times The regional and cultural diversity of research in this volume contributes to how we conceptualize hunter gatherer innovation technological proficiency and complex decision making in the past Readers are challenged to reconsider long held assumptions about how when and under what conditions metal became a part of humanity s story Native Nations Nancy Bonvillain,2016-11-15 Combining historical background with discussion of contemporary Native nations and their living

cultures this comprehensive text introduces students to some of the many indigenous peoples in North America The book is organized into parts corresponding to regional divisions within which similar though not identical cultural practices developed Each part opens with an overview of the topography climate and natural resources in the area and describes the range of cultural practices and beliefs grounded in the area Subsequent chapters are devoted to specific tribal groups their history and the conditions of contemporary Native communities Nancy Bonvillain provides context for the regional and tribe specific chapters through a brief overview of Native American history beginning around 1500 and covering the early period of European exploration and colonization She details both U S and Canadian policies affecting the lives cultures and survival of more than five hundred Native nations on this continent Finally she offers up to date demographics and addresses significant social economic and political issues concerning Native communities The second edition features new material throughout including a new two chapter section on the Native nations of the Plateau expanded introductory material addressing topics such as climate change and recent Supreme Court decisions up to date demographic and economic data Incest Avoidance and the Incest Taboos Arthur P. Wolf, 2014-04-16 Why do most people never have sex with close relatives And why do they disapprove of other people doing so Incest Avoidance and Incest Taboos investigates our human inclination to avoid incest and the powerful taboo against incest found in all societies Both subjects stir strong feelings and vigorous arguments within and beyond academic circles With great clarity Wolf lays out the modern assumptions about both concluding that all previous approaches lack precision and balance on insecure evidence Researchers he calls constitutionalists explain human incest avoidance by biologically based natural aversion but fail to explain incest taboos as cultural universals By contrast conventionalists ignore the evolutionary roots of avoidance and assume that incest avoidant behavior is guided solely by cultural taboos Both theories are incomplete Wolf tests his own theory with three natural experiments bint amm cousin marriage in Morocco the rarity of marriage within Israeli kibbutz peer groups and minor marriages in which baby girls were raised by their future mother in law to marry an adoptive brother in China and Taiwan These cross cultural comparisons complete his original and intellectually rich theory of incest one that marries biology and culture by accounting for both avoidance and taboo
A Theory Of Northern Athapaskan **Prehistory** John W Ives, 2019-05-20 This book explores the conceptual basis for the events and processes in the prehistory of the Athapaskans one of the most wide spread peoples in western North America The author bases his research on the premise that social structure is not passively dependent on the technological and economic bases of society and argues that ultimately kinshi Boreal Forest Adaptations A. Theodore Steegman, 2013-06-29 The chapters making up this volume are not just a collection of parts which were more or less on the same topic and happened to be available for cobbling together Instead they were written especially for it We had before us from the beginning the goal of creating a synthesis of interest to students of environmental adaptation but adaptation broadly construed and to one of the world's difficult environments the

boreal forest This is anthropology but not anthropology of the old school A word of explanation may be in order Ecologists and those in traditional biological sci ences may find some of what follows to be familiar in format and in intellectual approach Others of our perspectives may feel less comfortable and in fact may seem to be refugees from scholarship more of the sort pursued by historians All that is quite true and rather nicely reflects the dualities and potential of anthropology as a discipline We have always drawn strength from the arts as well as the sciences We have more recently tried to identify biological templates for human behavior and to understand the reciprocal impact of behavior on the human organism Anthropology is a discipline part art and part science which is at once historical behavioral societal and biological No species has left a clearer path through time than has ours and none has made its way through such a diversity of challenging environments Determining how humanity has managed to do that is our goal Indigenous Religious Musics Graham Harvey, 2017-09-08 Celebrating the diversity of indigenous nations cultures and religions the essays which comprise this volume discuss the musics performed by a wide variety of peoples as an integral part of their cultural traditions These include examinations of the various styles of Maori Inuit and Australian Aboriginal musics and the role of music in Korean Shaman rituals Indeed music forms a key component of many such rituals and belief systems and examples of these are explored amongst the peoples of Uganda Amazonia and Africa Through analysis of these rituals and the part music plays in them the essays also open up further themes including social groupings and gender divisions and engage with issues and debates on how we define and approach the study of indigeneity religiosity and music With downloadable resources featuring some of the music discussed in the book and further information on other available recordings this is a book which gives readers the opportunity to gain a richer experience of the lived realities of indigenous religious musics Changing North William C. Wonders, 2003 When Canada's Changing North was first published in 1971 it quickly became a popular and reliable overview of the geography and culture of the Canadian North In the three decades since it first appeared great changes have occurred in this huge region that makes up two thirds of Canada's total area This revised and expanded edition provides a new generation with a comprehensive and up to date introduction to the Canadian North and outlines how this region has become increasingly integrated into both the Canadian national fabric and the world the legal recognition of aboriginal rights by the Canadian state which has led directly to significant increases in their political and economic power It also examines how economic development which has long focused on non renewable natural resources particularly minerals has grown to an enormous scale Development of arctic oil and gas which hinges on world supplies and national and international politics has meant major changes across the North Some of the new national parks in the Canadian North are already under threat from mineral development Northern tourism has made it possible for a wide variety of affluent visitors to visit hitherto remote areas affecting the ecology The final selection on northern challenges discusses critical issues such as the impact of climatic change the social needs e g housing education of a rapidly increasing aboriginal
