## **Some Desperate Glory The World War I Dia:**

**Some Desperate Glory** Max Egremont, 2014-06-10 Max Egremont's *Some Desperate Glory* presents the story of World War I through the lives and words of its poets. The hundredth anniversary of the outbreak of what many believed would be the war to end all wars is in 2014. And while World War I devastated Europe, it inspired profound poetry words in which the atmosphere and landscape of battle are evoked perhaps more vividly than anywhere else. The poets, many of whom were killed, show not only the war's tragedy but also the hopes and disappointments of a generation of men. In *Some Desperate Glory*, the historian and biographer Max Egremont gives us a transfiguring look at the life and work of this assemblage of poets: Wilfred Owen with his flaring genius, the intense compassionate Siegfried Sassoon, the composer Ivor Gurney, Robert Graves who would later spurn his war poems, the nature loving Edward Thomas, the glamorous Fabian Socialist Rupert Brooke, and the shell shocked Robert Nichols, all fought in the war and their poetry is a bold act of creativity in the face of unprecedented destruction. *Some Desperate Glory* includes a chronological anthology of the poets' works, telling the story of the war not only through the lives of these writers but also through their art. This unique volume unites the poetry and the history of the war, so often treated separately, granting readers the pride, strife, and sorrow of the individual soldier's experience coupled with a panoramic view of the war's toll on an entire nation.

**Desperate Glory** John Wilson, 2008-10-01 This book presents the story and issues of the First World War in a clear, concise, and objective manner, accompanied on every page by photographs, original sketches, or maps.

**The Tampines Tiger and Other Stories** Norman Williams & Rex Kearns, 2016-02-08 Here lie the memoirs of Ponsenby, who has a great propensity for being in the wrong place at the wrong time, thereby seeing, hearing, and experiencing so much and all with a difference. He travels through history and time across vastly differing landscapes and delves into the most mysterious places of all: human endeavour, beliefs, culture, and society. Ponsenby is a British Indian medic or sawbones, as he describes himself, a livelihood that perceives both the serious and sombre perspectives on life and always with a wry twist of humour. Oh, and another place to go: contemplation and reflection. And a beautiful sadness filled our hearts. And because we could not leave it, the sadness slowly and inexorably turned into compassion. We felt the sorrow of the whole world of little frightened children, of the blind, the halt, and the lame, and of those separated from their loved ones.

*Slaughter and Stalemate in 1917* Alan Warren, 2021-02-01 What went wrong for British forces in 1917? Relive the key battles through first-hand accounts and little-known incidents of World War I. This book offers a fresh critical history of the 1917 campaign in Flanders. Alan Warren traces the three major battles fought by the British Expeditionary Force in the final months of 1917: from the mines of Messines to the mud of Passchendaele and the tanks at Cambrai. Drawing on a rich array of sources, Warren provides a vivid account of two tragically mismanaged battles, showing that Cambrai further underlined what went wrong for British forces at Passchendaele and thus more fully explains the course of events on the Western front. His compelling narrative history features first-hand accounts, little-known dramatic incidents,

and portraits and assessments of the main generals All readers interested in World War I and the tragic mistakes that led in the words of Winston Churchill to a forlorn expenditure of valour and life without equal in futility will find this an invaluable military history **Journal of the United Service Institution of India** United Service Institution of India,1986

**Forthcoming Books** Rose Army,1989-09 **The Herald** ,2012 **Paperbound Books in Print** ,1991 *Children and Youth in Armed Conflict* Tamanna M. Shah,2024-12-10 This book contains an Open Access chapter The second of two volumes the chapters offer a compelling exploration of how children and youth endure conflict and how their stories are told and retold in the public sphere influencing advocacy policymaking and community responses worldwide *Selwyn Lloyd D. R. Thorpe*,1989 Selwyn Lloyd who was a member of the Conservative party died in 1978 In this biography the author has aimed to combine the immediacy of personal recollections with a study of both the government records and the relevant private archives D R Thorpe tries to show the many unusual facets of this man who was one of the most significant post war political figures Foreign Secretary who survived Suez Chancellor of the Exchequer and Speaker of the House of Commons His relationships with Churchill Eden Eisenhower Home Macmillan and others are examined and events such as Macmillan s night of the long knives which ousted him as Chancellor the negotiations with the French and Israelis at Sevres in 1956 the Conservative leadership contests of 1963 and 1965 and the identification of Himmler s corpse by Lloyd are some of the events portrayed **Trench Art** Jane A. Kimball,2004 Trench art is a highly evocative term conjuring up the image of a mud spattered soldier in a soggy trench hammering out a souvenir for a loved one at home while dodging bullets and artillery shells This is an appealing but very false conception of the reality of this art form A few types of trench art could be made easily in a trench during lulls in the fighting but the hammering involved in making many trench art pieces would have been greeted with unwelcome hostile fire from the enemy Trench art items made during wars were in fact created at a distance from the front line trenches either by soldiers at rest behind the front lines by skilled artisans among the civilian population by prisoners of war or by soldiers **The Decline of the West...: Perspectives of world-history** Oswald Spengler,1928 Contains Spengler s well known work on the history of and the rise and fall of various civilizations **A Poem for Cry** Avanti Maluste,Sudeep Doshi,2008-01-09 We Live Not Only By Our Own Thoughts Formulated In Isolation But Also By The Ideas And Phrases Of Others That Resonate And Move Us Amartya Sen In The Foreword A Poem For Cry Is A Collection Of The Favourite Poems Of Ninety One Famous Indians From Around The Globe The Sweep Of Contributors Politicians Writers Sportspersons Actors Industrialists And Musicians And The Range Of Poems They Have Selected Some Perennial Favourites Others Not So Well Known Most In English A Few From Indian Languages Make This An Eclectic And Stimulating Collection The Poems Are Also A Reflection Of The Commitments And Priorities Of The People Who Have Chosen Them Cry Child Rights And You Has Always Championed The Cause Of Disadvantaged Children In India Avanti Maluste And Sudeep Doshi Inspired By Their Love For Poetry And The Need To Make A Positive Difference In The Lives Of These Children Worked For Over Two
