Song And Its Fountains:

Song and Its Fountains A. J. Russell, 1991 A lyrical innovative introspection into the process of inspiration by one of the great Irish poets *Song and Its Fountains* George William Russell, 1932 **Song and Its Fountains** George William Russell, 2007-11 George William Russell better known as AE 1867 1935 mystic poet painter journalist editor and practical rural economist was a pivotal figure in the Irish literary revival and in the emergence of modern Ireland From the beginning of the twentieth century he formed life long friendships with W B Yeats George Moore Lord Dunsany James Stephens Stephen Mackenna translator of the Enneads of Plotinus James Joyce and other writers thinkers and artists and was closely associated with the Irish National Theatre Society later the Abbey Theatre In his biography of AE Henry Summmerfield relates of him that probably in mid 1884 he began to experience waking dreams of astonishing power and vividness which seemed to be thrust into his consciousness by a mind which was not his Images of cosmic happenings and other worlds overwhelmed him with a majesty far removed from anything of which he was aware in his own being I remember how pure holy and beautiful these imaginations seemed AE wrote in later years how they came like crystal water sweeping aside the muddy current of my life The visible world became like a tapestry blown and stirred by winds behind it If it would raise but an instant I knew I would be in Paradise *Song and Its Fountains* is imbued with the force of this powerful inner life In this book I have tried to track song back to its secret fountains As I have thought it unnatural to see together in galleries pictures unrelated to each other or taken from the altars for which they were painted so I have thought it unnatural for lyric to follow lyric in a volume without hint of the bodily or spiritual circumstance out of which they were born I have here placed some songs in their natural psychic atmosphere Those who cannot follow my reasoning may perhaps be amused or interested by the fantasy a poet built about his life and poetry AE And the ancient mystery Holds its hands out day by day Takes a chair and croons with me By my cabin built of **Song and Its Fountains** , 1932 *George Russell (A.
