Bible Translation in Suriname Franklin Steven Jabini, 2015-07-31 The Republic of Suriname has a long and rich heritage of Bible translation spanning more than 250 years, yet very little has been published on its history. In this book Dr Franklin Jabini, a Surinamer as well as a translator himself, provides the reader with a detailed survey of the history of Bible translation across the many language groups of Suriname. Illustrating the difficult and complicated process of Bible translation, the book furnishes brief biographies of translators both national and foreign as well as the denominations and parachurch organizations involved. This book is not just a historical account but provides important insight into the efforts of reaching all tribes, tongues and nations with God's word.
