

A person stands on a rocky shore at sunset, viewed from inside a cave. The scene is framed by the dark, jagged opening of the cave. The person is silhouetted against the bright, orange and yellow light of the setting sun. The water is calm, reflecting the sky and the person. The rocks are dark and wet, with some pools of water. The overall mood is contemplative and serene.

To Speak the Truth in Love Schenk, CSJ, Christine ,2019-11-21 Through the story of Sister Theresa Kane this book documents an important period of contemporary Catholic history It is a period in which Theresa and so many of her sisters in her own and other communities exercised unparalleled leadership in the Catholic Church They did so by speaking truth to power with love wisdom and grace Speaking the Truth in Love Speaking the Truth in Love , Speaking the Truth in Love Daniel R. Berger,2007-01-01 Approaching public communication from a liberal arts point of view Speaking the Truth in Love provides a distinctly Christian perspective of rhetoric Written and oral rhetoric are interwoven throughout the text Two foundational ideas control the majority of the text The first is from Plato's Phaedrus as stated by Paul in Ephesians 4:15 speaking the truth in love The second is from the Apostle Peter in 1 Peter 4:11 if anyone speaks he should do it as one speaking the very words of God The spiritual responsibility of communicating truth in accordance with the nature of God especially the virtue of love is an awesome privilege and opportunity Sound content spoken or written eloquently with charisma will enable words to have a maximum impact The text is designed to be a culminating learning experience for undergraduate communication programs or as an introductory text for graduate programs involving public communication Beginning with a philosophy of language meaning and interaction argument is built against secular deconstructive thought where everyone has a different truth based on language Alongside philosophy we explore ethics and theology from an evangelical perspective Following this a brief history outlines rhetorical thought from pre-testament classics to today Based upon these ideas we take a closer look at communication theory as it relates to public communication Finally the text addresses the practice of both written and oral communication **Speaking the Truth in Love** Paul Matte,2023-03-13 As Christians we are to be the salt and light to this world but are dangerously becoming a hybrid form of Scripture and culture We are conforming to the pressure making us more culturally centered in our teachings and practices This mixture of church and culture is seen as we drift from biblical truth in determining what we believe and how we live It is not enough to resist the cultural pressures We must be transformed by the renewing of our mind This is not a mental positive thinking exercise as some suggest It is listening to God's Word as our source of truth to understand all issues of life By speaking the truth in love we mature in Christ so that we are not tossed by the waves of the culture but are firmly anchored in Jesus so that we live in a manner that pleases Him Speaking the Truth in Love J.
