UFO's: The Great Last Days Deception Billy Crone,2018-03-16

Mention the topic of UFO s and Aliens and not only have most people already formed their opinions about them but virtually everyone on the planet now believes in them More people believe in Aliens than in the existence of God and more people believe that Aliens have visited planet earth than that Jesus is the Son of God

Ufology has become a new religion for 21st century where people now believe that Aliens will save them not God

The problem is hardly anyone recognizes the true identity of UFO s let alone how they are being used to usher in one of the darkest most deceptive times in the history of mankind

Therefore this book UFO s The Great Last Days Deception seeks to equip you with the truth concerning so called extraterrestrial visitors and their hidden demonic agenda

One of the biggest lies in the history of mankind is about to be foisted upon the whole world

The Rapture of the Church is going to happen but it won t be from a liftoff in UFO s like we are being told

Don t fall for the lie Collected Ancient Greek Novels B. P.

Reardon,2019-05-07

Prose fiction although not always associated with classical antiquity flourished in the early Roman Empire not only in realistic Latin novels but also and indeed principally in the Greek ideal romance of love and adventure

Enormously popular in the Renaissance these stories have been less familiar in later centuries

Translations of the Greek stories were not readily available in English before B P Reardon s first appeared in 1989

Nine complete stories are included here as well as ten others encompassing the whole range of classical themes romance travel adventure historical fiction and comic parody

A foreword by J R Morgan examines the enormous impact this groundbreaking collection has had on our understanding of classical thought and our concept of the novel
