

Overview of B2 First for Schools Speaking Paper

Aims of the lesson	<ul style="list-style-type: none"> This activity aims to familiarise students with the Speaking paper (Paper 4) and give them practice at formulating correct questions in English.
Time needed	50 minutes
Materials required	<ul style="list-style-type: none"> Student's worksheet 1 (enough copies for half the class) Student's worksheet 2 (enough copies for half the class) Copies of the pictures for Parts 2 and 3 from the B2 First for Schools handbook (optional) See the worksheets attached to the lesson plans for the relevant parts

Procedure

1. Tell the students they are going to learn about Paper 4 of the B2 First for Schools exam, the Speaking test. Ask them what they think makes someone a good English speaker (*e.g. not making lots of mistakes, good pronunciation, being able to communicate...*) Feedback will be a good time to introduce the notion of managing and organising what they say, younger students tend to overlook this aspect of spoken production. This will be dealt with later as Discourse Management when the marking criteria are discussed in step 7.

Timing: 5 mins

2. Put the students into groups. Give half the groups **Student worksheet 1** and the other groups **Student worksheet 2**.
3. Tell the students that they will have to ask questions to find out the missing information on their worksheets. Ask them to work in pairs to decide what questions they should ask to get the information they need. They can write these on the **Questions sheets**, there is an example at the top. Monitor the pairs of students to help them formulate appropriate questions (see **Answerkey**).

Timing: 15 mins

4. Now put the students into new pairs, so that one student in each pair has **Student worksheet 1** and the other **Student worksheet 2**. Ask them not to show one another their information, and to ask and answer questions in order to complete their worksheets.

Timing: 10 mins

5. Once they have asked and answered all their questions, let the students look at each other's' handouts so they each have all the information.

Timing: 3 mins

Speaking Pictures Paper

Amita Bhardwaj

Speaking Pictures Paper:

Tom Swift and his Talking Pictures, or, The Greatest Invention on Record Howard R. Garis, 2022-08-01 In Tom Swift and his Talking Pictures or The Greatest Invention on Record Howard R Garis invites readers into a thrilling narrative that blends adventure with the emerging technological marvels of the early 20th century This installment in the beloved Tom Swift series captivates with its imaginative depiction of an invention that foreshadows the multimedia experiences of today Garis employs a straightforward yet engaging literary style rich in lively dialogue and vivid descriptions which serves to inspire curiosity about science and innovation while also portraying universal themes of friendship courage and the pursuit of knowledge amidst the backdrop of youth driven exploration and adventure Howard R Garis a prolific American author and journalist was deeply embedded in the landscape of early children s literature His unique background in science and engineering coupled with his prolific storytelling enabled him to craft narratives that are not only entertaining but also pedagogical Garis s engagement with the technological advancements of his time including radio and film informs this particular work reflecting a period when the possibilities of invention seemed limitless to the imaginative mind This book is a delightful recommendation for young readers and adults alike who cherish the spirit of discovery and the joys of childhood imagination Garis s blend of adventure and the awe of technological innovation makes this tale a must read for fans of the series and for those interested in the historical interplay between literature and science

The Art of Teaching Speaking Keith S. Folse, 2006-04-06 What elements make a speaking activity successful Which tasks or activities really help build speaking fluency What does the research show regarding speaking activities What mistakes do ESL teachers often make in speaking activity design In this highly accessible and practical resource Keith S Folse provides a wealth of information to help ESL EFL teachers design and use speaking tasks that will actually improve students speaking fluency The book presents and discusses the relevant research and assessment issues and includes case studies from twenty different settings and classrooms around the world so that readers learn from others about the problems and successes of using various speaking activities Teachers will find the chapters on Twenty Successful Activities and Ten Unsuccessful Activities particularly valuable The successful activities are provided for classroom use and are reproducible The book also contains five appendixes that explain what teachers need to know about vocabulary pronunciation and grammar and how they affect the teaching of speaking Samples of successful lesson plans and a list of resources useful for teaching speaking are also included Keith S Folse Ph D is Coordinator TESOL Programs University of Central Florida Orlando He is the author of Vocabulary Myths University of Michigan Press 2004 and more than 35 second language textbooks including texts on grammar reading speaking listening and writing

Tom Swift and his talking pictures; or, The greatest invention on record Victor Appleton, 2025-03-02 In Tom Swift and His Talking Pictures or The Greatest Invention on Record Victor Appleton presents an exhilarating tale of technological marvels and youthful ingenuity Written in the early 20th century this novel showcases the

characteristic style of the Tom Swift series with its captivating prose and adventure driven narrative that captures the imaginations of young readers. The story intertwines elements of science fiction and adventure while presenting a forward thinking perspective on innovation offering insights into early 20th century American societal values and the burgeoning fascination with communication technology. Victor Appleton a pseudonym for a group of authors crafted the Tom Swift series as an exciting vehicle for showcasing the wonders of invention and discovery a reflection of the American spirit in a time of rapid industrialization. This series not only reflects the technological aspirations of its era but also serves as a coming of age narrative for its protagonist encouraging young readers to embrace creativity and problem solving. Appleton's work aligns with the educational trends of the period emphasizing technical knowledge and moral lessons encapsulated within thrilling adventures. This book is recommended for young readers and nostalgic adults alike who seek a blend of adventure and science enriched by the historical context of innovation during the early 20th century. Appleton's engaging storytelling not only entertains but also instills a sense of wonder regarding the possibilities of technology making it a must read for enthusiasts of children's literature and early science fiction.
