Speaking Up In Church:

Christian Men Speak Up Denise Strothers, 2021-05-11 Our communities are in trouble Our children and grandchildren are not safe from the predators the enemy uses to destroy our families We can't be so busy doing church that we do not see what is happening right before our eyes They are hidden in plain sight They are in our churches schools grocery stores malls nail salons sporting events and even our families We must make our 8 9 10 year olds aware of the danger lurking on social media sites since many grown men seek to sleep with underage children Christian Men Speak Up informs you of the root causes of sex trafficking and the steps your church or faith based organization can take to make a difference in your community today

Speak Up for Just War or Pacifism Paul Ramsey, 2016-03-03 Paul Ramsey's provocative criticism sets the United Methodist bishops peace pastoral in the context of a much broader discussion of the church's role in society He reminds us as he has done before that good intentions also require clear thinking about where one stands in a tradition Stanley Hauerwas epilogue written from a quite different pacifist perspective accents the scope of Ramsey's issues Speak Up for Just War or Pacifism should be of interest to everyone who cares about how churches think about public issues Robin W Lovin The University of Chicago Paul Ramsey offers a can exploding critique of the particulars of the Methodist document and in so doing elaborates many of the broad insights into just war theory that have characterized his work over the years His contrast of In Defense of Creation with the Catholic Bishops pastoral The Challenge of Peace is especially helpful The book is excellent both as a guide to current debates and as a general introduction to Christian ethical reflection on war and peace It ought to be welcomed by pacifists and exponents of just war alike Timothy P Jackson Yale University

Speaking Up for Animals Lisa Kemmerer, 2015-11-17 Speaking Up for Animals highlights eighteen courageous members of a growing international animal advocacy movement that is overwhelmingly powered by women These remarkable activists take us with them as they lift factory farmed chickens and cows from quagmires of filth free gigantic sea lions caught in fishing gear and secure undercover footage of dogs crying for mercy on stainless steel vivisection tables In the process these dedicated women expose the many ways that most of us are complicit in the suffering and exploitation of animals and creatively suggest a variety of ways in which we might help bring change

When the Members Are the Missionaries A. Wayne Schwab, 2013-04-04 Member Waynes words call us to the mission begun by Jesus Christ to heal the world and to nourish each other along the way a valuable resource for clergy and lay people Mary Ann Brody Member I like the basic hypothesis and the real people situations Ransom Duncan Pastor of an Urban Congregation A clear map for clergy to take the Sunday experience into the rest of the week No one is forgotten Mary Martin

Liberating Christianity Thomas C.

Sorenson,2008-11-01 Christianity is in crisis in our North American context especially among the cultural elite and people with progressive views The reasons for the faith s loss of credibility have to do in large part with the dominant philosophical materialism of our culture and with the understanding of the faith almost universally held by Americans both inside the churches and outside them In this book Thomas C Sorenson calls this understanding Biblicism by which he means the belief that the Bible is to be understood only literally and that in one way or another its authority comes from its claimed origin with God Many enlightened people also reject Christianity because the only Christianity they know is the judgmental socially conservative faith that the most vocal and visible advocates of the faith among us so loudly espouse This book offers a different understanding of the faith It begins with a discussion of the universal human experience of the spiritual dimension of reality It then discusses symbol and myth as the necessary language for communicating that experience The book shows that all human experience is necessarily subjective and that religious truth is thus also necessarily subjective Therefore religious truth is relative not universal and absolute The work argues that the Bible is a human work expressing its authors experience of the divine The book then discusses other obstacles to faith and offers a different understanding of the issues they raise The book replaces the classical theory of atonement with a theology of the cross based mainly on the work of Douglas John Hall It redefines salvation as having to do with this life not with the afterlife It closes with a section that replaces the dominant social conservatism of popular Christianity with Jesus s teachings of nonviolence economic justice and radical inclusivity

Paloma Brooks Harrington,2022-06-02 Two people from very different backgrounds and circumstances struggle together to find God in a world of random injustice and human evil Paloma has suffered bitter poverty and neglect as a child and exploitation and addiction as a teen and an adult John Levi is a lawyer from a privileged sheltered home who answers the call of God to pastor an inner city church Together Paloma and John Levi hunger and thirst for justice and mercy for the neighbors of the church and for Paloma and her daughter At first Paloma is angered by any talk about the presence and power of a God whom she believes has failed to answer her prayers John Levi is convinced that God is calling him to rescue Paloma from her plight but crosses a line in protecting her from evil men Facing the consequences of his actions John Levi struggles with the limitations imposed upon his hunger for justice by the Way of Jesus Both Paloma and John Levi transcend the crisis to find a new faith

Dialed In Jim Ramos,2024-09-03 Males are born Men are made *Dialed In* motivates and equips men to become spiritual leaders in their homes churches and communities as they stand strong in a dangerous world Popular podcaster Jim Ramos speaks to the hunger deep within the masculine soul in this practical exploration of Paul s letters to Timothy and Titus Men who wonder how to lead well in today s confusing culture will find Twenty key qualities of a man of God such as servanthood vigilance and faithfulness What it means to function at full capacity in every aspect of life Insights into why Paul s letters aren t just for pastors but for all of us What true masculinity looks like in God s eyes How men can live a life surrendered to Jesus Christ God made man to live at his highest level both spiritually

and physically to carry the full weight of his masculine soul Including self assessments and questions for small groups Dialed In goes beyond vague principles to teach men how to become God s man and hear the words their souls crave Well done my good and faithful servant **You are God's Church** Lorraine Holloway-White,2016-08-02 We as individuals make up God s Church not buildings or religion People leaving religion also left God behind Why Can they come back to Him would they want to This is about good people from all walks of life coming together no matter beliefs or unbelief s With or without God with or without religion It talks of uniting the world rather than keeping it divided as it is now It s a book of love peace and of coming together A coming together of all people no matter what race religion age size sex colour lifestyle preferences or anything else It also explores about supernatural gifts and how to test the spirits of those dead and living A subject the church refuses to acknowledge thereby pushing so many into false gods and spiritual practices This book is packed with far more than is able to be listed here but it is a book everyone should read if they want to make a difference to the world we see and live in today **Race for Justice** Richard Reddie,2022-02-18 In 2020 Britain marks the 25th anniversary of Racial Justice Sunday This movement was established at a time when the UK was having to face up to both overt and subversive forms of racism characterised by the tragic killing of black teenager Stephen Lawrence in Eltham in 1993 This murder and other racist attacks gave mainstream visibility to the struggle of many Black Asian and Minority Ethnic people to obtain equality and justice Race for Justice brings together a collection of voices on this vital issue from across the Christian denominations Each contributor to this volume serves as their particular denomination s racial justice equalities diversity or inclusion officers Equipped with frontline experience in the fight against racism they each give their perspective on the successes and failures of race relations over the last quarter of a century as well as addressing contemporary challenges and their hopes for the future **Stepping Up** John Izzo,2012 A guide to solving problems presents seven principles that enable individuals to be their own agents of change **Living on the Edge of the Edge** Ruth Elizabeth Krall,Lisa Schirch, PhD,2017-06-19 There are several divisive issues that separate Christian from Christian in the current century One issue is the church s management of clergy sexual abuses of children teens and adults A second is the issue of sexual gender orientation and church membership Contemporary Christian denominations often intermingle the divisive issue of clergy and religious leader sexual abusiveness with the equally divisive issue of sexual gender orientation In this book Professors Krall and Schirch disentangle and discuss these two issues They discuss their personal and their professional opinions about ways in which religious and spiritual teaching communities can avoid the institutional perils of abusive clericalism and divisive denominational management practices Throughout the book they apply Anabaptist Mennonite principles of peace making in situations of sexual violation Case studies are provided A feminist hermeneutic is applied Each letter essay is auto ethnographic in style the professional and the personal are deliberately blurred inside a framework of narrative and story Each essay is deeply rooted in its author s academic interests and in her personal life history This book can be a text in

graduate and undergraduate classrooms It can also be used in denominational self study programs

Unruly Catholic Feminists Jeana DelRosso, Leigh Eicke, Ana Kothe, 2021-09-01 A collection of creative pieces Unruly Catholic Feminists explores how women are coming to terms with their feminism and Catholicism in the twenty first century Through short stories poems and personal essays third and fourth wave feminists write about the issues reforms and potential for progress Giving voice to many younger writers the book includes a variety of geographic and ethnic points of view from which women write about their experiences with Catholicism and their visions for the future While change in the church may be slow to come even the promise of progress may provide hope for women struggling with the conflicts between their religion and their sense of their own spirituality Rather than always only oppressing or containing women Catholicism also drives or inspires many to challenge literary social political or religious hierarchies By examining how women attempt to reconcile their unruliness with their Catholic backgrounds or conversions and their future hopes and dreams Unruly Catholic Feminists offers new perspectives on gender and religion today and for the days yet to come

Healthy Churches, Faithful Pastors David A. Keck, 2014-06-18 Congregations want to support their pastors but don't know how Pastors love their congregations but they don't know what to ask of their congregations to garner needed support Everyone wants to thrive together but so often we get stuck This clear and engaging guide helps pastors and congregations bridge communication gaps and set mutual goals and expectations Reverend Keck grounds his framework of expectations on both scholarly research and on interviews he's conducted with pastors and lay people He finds many common difficulties in churches arise from failing to discuss priorities and expectations and from not effectively working through the problems that arise when expectations aren't met For pastors and congregants to arrive at common expectations they need to understand each other their respective needs hopes and distinctive callings This book provides concrete steps to aid congregants and pastors communicate their mutual expectations Keck presents fifty expectation statements examples of what pastors and congregations can expect of one another a vital resource to anyone who seeks to initiate a discussion of expectations in their own church Elucidating goals and expectations allows congregations and pastors to support one another and flourish and fosters church health and harmony

The Other Half of Church Jim Wilder, Michel Hendricks, 2020-08-04 Could brain science be the key to spiritual formation Why does true Christian transformation seem fleeting And why does church often feel lonely Christian community shallow and leaders untrustworthy For many Christians the delight of encountering Christ eventually dwindles and disappointment sets in Is lasting joy possible These are some of the questions Michel Hendricks has considered both in his experience as a spiritual formation pastor and in his lifetime as a Christian He began to find answers when he met Jim Wilder a neurotheologian Using brain science Wilder identified that there are two halves of the church the rational half and the relational half And when Christians only embrace the rational half churches become unhealthy places where transformation doesn't last and narcissistic leaders flourish In *The Other Half of Church* join Michel and Jim's journey as they couple brain

science with the Bible to identify how to overcome spiritual stagnation by living a full brained faith You ll also learn the four ingredients necessary to develop and maintain a vibrant transformational community where spiritual formation occurs relationships flourish and the toxic spread of narcissism is eradicated **Teaching for Change** L. Juliana

Claassens,2019-03-13 Contributors from various theological higher education institutions in South Africa and beyond come together to reflect on the best pedagogical practices to teach on often complex issues of gender sexual orientation race and class and on how they impact on health in our classrooms in our churches and in the communities where we live and work

Speaking Up Allyson Jule,2018-07-03 From slut shaming to the allegedly shrill voices of female politicians from vocal fry to online misogyny the language women use and the language used about them is as controversial as it has ever been Our language use and our gender have an enormous impact on the way we understand ourselves and the world around us and the way we are treated by society Using the latest academic research Allyson Jule tackles some of the most pressing issues facing feminism today including how language use and related ideas about gender play out in the home workplace and online It turns out that many popular ideas about gender and language are more complicated than they first appear This book will change the way you think about language and give you the tools to challenge the world around you **Speak Up! Christian**

Assertiveness ,1985-01-01 In situations involving confrontation many Christians either explode and feel guilty or suppress their convictions and become depressed Here now is a way to counteract these experiences a how to guide to assertiveness based on sound evangelical principles **Raise Your Voice** Kathy Khang,2018-07-31 It can be hard to speak up when

power dynamics keep us silent and marginalized especially when race ethnicity and gender are factors Activist Kathy Khang roots our voice and identity in the image of God showing how we can raise our voices for the sake of God s justice We are created to speak and we can both speak up for ourselves and speak out on behalf of others
