Speaking with Angels Iris Paxino, 2023-05-15 If you wish to learn you may learn I go now and will come again And yet I am always with you This was the conclusion to a surprising message that psychologist Iris Paxino received from a bright angelic entity who appeared to her unannounced radiating a comforting warmth filled light The angel's words left her awestruck and deeply moved Paxino had long had the gift of knowing angels but it was immediately apparent to her that this special encounter marked a new beginning She was in no doubt that she did indeed want to learn and thus began a lively intense dialogue that offered an abundance of insights into the work of angels She discovered that in addition to our guardian angel each of us has a circle of twelve angels who accompany us throughout life and beyond death that we have double and shadow angels and that families communities and social groups have their own angels as do specific landscapes In a series of intimate and enlightening conversations Paxino relates knowledge about these and other types of spiritual beings Angels suffer in sympathy with the earth and stand by us in the dark times of human existence Despite everything they do not condemn but love us with such devotion that we can scarcely comprehend it Angelspeake Barbara Mark, Trudy Griswold, 2014-09-16 Your angels want to speak to you It's important to them that you know who they are and that you receive their loving messages of guidance and support It's easy to communicate with them Now in this simple practical guide Barbara Mark and Trudy Griswold show you that the act of writing to your angels and receiving answers means that you can take the initiative and ask for help for understanding for love In Angelspeake you will learn how rewarding and helpful it is to meet your angels Barbara and Trudy give you clear step by step instructions on how to bring angelic teachings into your life using the Four Fundamentals for initiating spiritual assistance Ask for the angels to be with you Believe and trust that they will be there Let It Happen and begin writing It's the same loving voice you have heard many times before Finally Say Thank You It's that simple Angelspeake is filled with inspirational angel teachings and true stories of people whose lives have been changed by association with the angels Barbara and Trudy teach that you can receive helpful personal information by talking with your angels whether you are in a personal crisis looking for a new job or relationship or want to buy a house The angels will help **Speaking of Angels** David T.
