Speaking God! Gary M. Sylvas, Sr.,2006-05-01 Evelyn expounds the infallible Word and shows you that God still speaks to His people and operates in their lives today She focuses on the importance of hearing and knowing God s Word She shows you how the Word of God can transform your life God s Word can teach you and give you guidance as you move in God s plan to reach and fulfill your destiny Evelyn wants to encourage and enlighten the Body of Christ by sharing some of her real life experiences She believes her testimonies will help others press forward and continue on their Christian journey Alpha and Omega still speaks Sometimes He speaks silently yet loudly Read for yourself and see how Speaking of God Anthony G. Siegrist,2019-10-29 Do you ever think you re forgetting how to talk about God Or never learned how Theology is nothing more and nothing less than speaking together about God Still a lot of us don t know where to start In *Speaking of God* pastor and theologian Anthony Siegrist helps readers recover a basic language around Christian theology The sweeping epic of Scripture serves as the scaffold for this accessible book In vivid and even humorous writing Siegrist introduces us to scholars and pilgrims and traditions that disclose essential truths about God and Jesus Christ as well as concepts like creation sin redemption the church and discipleship By plumbing the works of theologians such as Augustine Julian of Norwich Antonia Gonzalez and Kazoh Kitamori Siegrist offers readers an introduction to Christian theology throughout the ages emphasizing common threads of thought and practice across traditions Learning to talk about God requires courage and humility this handbook of Christian theology will help you gain both Join the deepest longest conversation in the world Speaking of God Jerry Camery-Hoggatt,2006-01-01 Responding to the recent call for a closer interaction between biblical text and sermon *Speaking of God* bridges the gap by describing the rhetorical factors of language in terms that make sense to the beginning or experienced exegete The result is an instructive and compelling invitation to read and preach the biblical text in a fresh thought provoking way the book ought to be required reading in every seminary homiletics class Charles W Hedrick Southwest Missouri State University *God Is Speaking, Are You Listening?* LYNNIE LANG,2013-11-19 It all began when I finally desired quiet time in God s presence He being my Lord and Savior gave me a need to hear encouragement and guidance from Him Knowing I belong to my God Jesus died for my sins and I am filled with His Spirit gave me peace and confidence but I felt there was more I needed I longed to hear from Him Was this really possible How would I know it was Him I would enter my prayer time as usual with quiet meditation praise and worship from my heart and lips I d then pick up my prayer journal for personal prayers petitions and intercession for others In my spirit I would at times receive words of affirmation during my prayer time then when finished be guided to pick up my pen and begin to write I not only realized that God was giving me these words to write and encourage me with but each one was always one page long After almost a year I began to transfer them to my computer As I did I was also given a title and a Scripture to go with each one All I knew was this ability was definitely God given to me for His purpose Soon I was realizing it wasn t all for me I was prompted to share

them on occasion with others This began a list of folks who wanted to receive them on a regular basis The list continued to grow and God continued to encourage me through others to write more as He led me What I thought was God speaking to me only in reality He is able to speak to others through a devotional simple folk like me put down on paper I pray they will bless and encourage all who read them as they have been for me May this book always be a reminder to us that God is speaking are you listening

The God who Speaks Ben Campbell Johnson,2004 This is a print on demand book and is therefore non returnable As Christians we believe that God speaks that God has spoken to people down through the centuries and still speaks to us today But just how does God speak to us Has his speech changed over time And how do we hear the voice of God In this insightful book Ben Campbell Johnson explores the subject of divine speech highlighting its importance to faith and leading Christian believers into the practice of listening for God s voice in daily life Johnson first explores the biblical foundations of divine communication tracing the ways that God has spoken to humankind from the calling of Abraham to the appearance of Jesus to the continuing work of the Spirit in the early church He then gleans important lessons about God s language from a wide range of Christian figures throughout history Polycarp Julian of Norwich Teresa of Avila Henri Nouwen and others As this historical record shows God communicates with us in a variety of ways In exploring these different modes of GodSpeech Johnson deftly guides readers into the practice of intensive listening a way of posing issues to God and discerning his response Numerous anecdotes illuminate Johnson s discussion and each chapter ends with questions for reflection and discussion as well as suggestions for journaling Johnson concludes the book by recounting a number of personal experiences that vividly illustrate the value of learning to listen to God s voice At a time when many Christians hunger for a more personal meaningful connection with God this book shows readers how to discern divine language and forge a closer richer relationship with the God who speaks

Talking to God Wayne R. Spear,2002 Author and Seminary professor Wayne Spear teaches that men and women who are in a relationship with their Creator will be men and women who pray He then looks to the Bible for answers about how and why to talk to God

Speaking of God Robert D. Cornwall,2023-01-30 Theology is a complex subject with many subdisciplines and is know for thick volumes with dense prose This book bucks that trend but hitting the basics briefly but carefully In this 50th volume of the Topical Line Drives series theologian and church historian Dr Robert D Cornwall provides a clear introduction to the basics His approach is not to give you a set of beliefs about God but rather to provide you with an introductory foundation to the way Christians talk about God Key concepts such as omnipotence impassibility transcendence immanence and yes love along with many others The content is brief but carefully designed as a launching pad for further study Read this book in order to make all your other theological reading more profitable It will keep you from missing out because some of the basic were passed over or were obscured by extensive discussion Besides individual reading this volume is useful as an introductory reading in theology courses or for small groups in churches who would like to better understand their other curricula and more profitably discuss their ideas

about God **Speaking God's Language - a Guide to Speaking in Tongues** David Martin, 2013-10-16 Reader's Reviews
This book has lifted my head and put fire back in my belly I highly recommend this book for all Christians whether new or old in the faith Long years in Christian ministry is no protection from feeling weak David's book has awakened me Thank you so much You have encouraged me to press in to God again By T we pray to build our own personal spirit life and to be refreshed in our inner man we also speak in tongues to pray for others and release prophetic anointing and destiny into our circumstances and those of our cities and nations This one gift alone is packed with enough power to turn the world upside down Maybe this is why the devil resists it so consistently I encourage you to grab hold of the principles in this booklet and apply them in your own pursuit of God As James encourages us in his letter to the Church the effective fervent prayers of righteous men and women avail much making tremendous power available dynamic in its working James 5:14 Amplified Be blessed as you read Included In the Kindle Edition of Speaking God's Language A Handbook for Praying In Tongues The Scriptural history of tongues where did it all begin How to build yourself up spiritually through praying in tongues How to interpret your tongues How to receive spiritual refreshment through speaking in tongues Frequently asked questions about speaking and praying in tongues Taking tongues to a deeper level How to engage in spiritual warfare through praying in tongues Preparing the spiritual landscape by praying in tongues How to pray the perfect will of God into your future Exercises to develop and strengthen the gift of speaking in tongues in your spiritual life Releasing the prophetic purposes of God through tongues Private and public use of tongues to edify the Body of Christ and more *The Secret Power of Speaking God's Word* Joyce Meyer, 2007-10-15 1 New York Times bestselling author Joyce Meyer teaches readers how to create change in their lives and truly receive God's blessings Includes powerful Scriptures covering over 50 topics such as patience loneliness and wisdom Speaking for God Witness Lee, 2001-11 Exploring God-talk Jeff Astley, 2004 Exploring God talk maps the contours of religious language It surveys the variety of ways in which religious believers both speak to God and speak about God and tries to respond to the serious criticisms that have been raised of different aspects of our God talk Beginning with an overview of the variety of ways in which language is used in faith and religion the book moves on to consider the functions of language in religious experience and the religious life particularly in prayer and worship Two chapters are devoted to a consideration of the important area of descriptive God talk both figurative and literal Problems relating to the meaningfulness of religious language and the interpretation of the Scripture are also addressed and the pastoral and ethical significance of God talk explored Illustrations are drawn throughout from both everyday speech and the Christian tradition **Speaking With God's Voice** Louis A. Miraglia, 2016-12-17 The world today groans under the weight of many crushing problems but it's not intellectuals presidents or political parties who have the solutions The rescue agents are born again believers who fall under the great commission and that's you This command for you to go into the whole world is not given by One who would leave you an orphan God will equip you but you must do it His way Once you're a believer God

appoints you to two roles immediately One as the receiver of God's word one as the deliverer of God's word Many faithful men and women have little problem understanding the first role They see themselves as student learners who must grow in God's word and get enlightenment by the Holy Spirit Many faithfully fulfill the biblical prerequisites of prayer and preparation and they become quite good at understanding the scriptures Over the years the Holy Spirit guides them into deeper and deeper insights into God's word It is as they move into the role of deliverer of God's word that they have problems Many people will shut them out the delivery has failed to adopt a biblically required role change To be effective in this new role God's messengers must Speak with God's Voice This means they must speak authoritatively and prophetically These biblical prerequisites have been very much misunderstood and abandoned leaving the message from God's word a mere man made endeavor God may bless this type of message but the only way to guarantee God's anointing is to deliver it His way with His voice This book explains in detail how these scriptural requirements are put into effect Remember The power of the Holy Spirit is available to ALL believers but it is not automatic A dear evangelical preacher of more than thirty years who pastors a church on the New York Pennsylvania border read this book and made the following comment I would highly recommend this book as required reading for every minister and ministerial student It is one of the most practical cries for and description of anointed preaching that I have read For too long the church has tried to dazzle people with new music new technologies and methods and missed the high calling of preaching the Word under the power of the Holy Spirit Thanks Louie for your inspiring words Shhh...God Is Speaking Thaddeus Wright, 2015-04-14 This book is about one thing and that is to bring people all over the world closer to God It is about being able to hear and apply what God is saying to us as a people It is about what God is saying and not me the Author It is intended to help motivate and inspire the unbeliever to become a believer and a servant of the most high God and to bring the believer even closer to God In this book I use personal experiences to illustrate that no matter what people may be going through or what they have done God is still in the delivering business It is all about praising and giving God the glory in spite of how your situation may look It is about praising your way out of your storm rather than walking through the storm with your head held down This book is all about our father our creator our healer our deliverer and our Savior Jesus Christ **I Speak in the Power of God's Speech** Renee Pearsall, 2019-07-11 This manual is about how to gain power over your life as you learn to listen to what God is speaking to you Through His Words you will be equipped with the courage and strength to face any battle in your life This manual serves as a guide to help you strengthen your day to day relationship with God as you master the concept of speaking peace health and prosperity **Speaking Things into Existence by Faith** Prayer M. 100 Ways God Speaks to You Robert A. Avila, 2021-12-10 Call out the voice asserted This direction edged into my brain and flooded my mental realm God can speak to any of us anytime but how do we hear Him Christian author Robert Avila didn t always recognize God speaking to him until he discovered a pattern In a collection of short stories from his life Avila shares specific moments he acted upon promptings from a still small voice saw the outcome and noticed God using him as a vehicle to carry out tiny and sometimes enormous miracles But how did Robert know it wasn t just his own thoughts In this collection of interactions with God told in short story form he explains how God breaks the chains of religious indoctrination and sets us on the narrow path He teaches us the techniques God uses to draw us nearer to Him and guide us toward our life s purposes Perhaps God is speaking to you but you don t recognize His voice Just like there are hundreds of radio waves some producing clear sounds others inaudible there are more than 100 ways God communicates In this book Robert Avila teaches you how to transform your faith tune in and hear Him

Speaking God's Promises Changing Your World Michael Byrd, Ph.d., 2015-05-31 Death and life are in the power of the tongue and they who indulge in it shall eat the fruit of it for death or life Proverbs 18 21 AMP Biblical Declarations call God to His promises Speaking the scriptures renew our minds in Christ by transforming and conforming us to the image of Christ Christ only said what the Father said We too should say what the Father says And we will get what we say Job 22 28 KJV Thou shalt also decree a thing and it shall be established unto thee and the light shall shine upon thy ways The direction of our lives is set by what we say James 3 4 5 MSG A small rudder on a huge ship in the hands of a skilled captain sets a course in the face of the strongest winds 5 A word out of your mouth may seem of no account but it can accomplish nearly anything or destroy it It only takes a spark remember to set off a forest fire The strongest winds are storm winds We think of the storms in life as the problems People blame the storms problems in their lives for the course or outcome of their lives but it s not the strongest winds that direct our lives It is our rudder or tongue that directs our lives Weather we become

shipwrecked on the rocky shores of life or glide peacefully into calm harbor depends on how skillfully we manage our rudder or tongue Like a small spark can destroy a huge forest We too can destroy the people around us by the words we say The Bible gives examples of what to do and not do in times of trouble or storms We can either praise God or complain Complaining glorifies the problem which glorifies the author of the problem God is not the author of confusion but of peace according to 1 Corinthians 14:33 Jesus after fasting for forty days and nights was weakened but when tempted used the scriptures to overcome and so should we as well Genesis 1:28 declares that God gave us dominion over everything We take or give away our authority over everything in our lives by what we say Proverbs 19:21 Death and life are in the power of the tongue Our tongues are powerful 2 Corinthians 6:7 states For we walk by faith not by sight appearance We can speak God's promises in faith to the glory of God or speak about our negative situations thereby glorifying Satan the author of the situation Our words can be used as a weapon The sword of the Spirit which is the word of God Ephesians 5:17 By Speaking God's promises these scriptures are put into first person declaration form as to help you to speak blessing over the problem areas of your life The more one speaks these declarations the more one internalize God's promises Speaking God's promises over our lives is the foundation for successful living Proverbs 6:2 New International Version You have been trapped by what you said ensnared by the words of your mouth In other words What you talk about you bring about Jesus said this way in Luke 6:45 A good man out of the good treasure of his heart bringeth forth or brings to pass that which is good and an evil man out of the evil treasure of his heart bringeth forth or brings to pass that which is evil for of the abundance of the heart his mouth speaketh
