**Sound Ideas** B. Eugene McCarthy, Fran Quinn, 2013 Hearing and speaking are essential to making poems live Poems are a physical experience This book explains how to find your way to the heart of a poem by taking it off the page The authors have taught poetry successfully with this method for many years and now they share it beyond their own classrooms Taking poems off the page a teacher and a poet share their years of experience making poetry live Hard to believe that anyone serious about poetry either student or teacher wouldn't want to own this book Reading *Sound Ideas* is like being in a class with the best poet and teacher of your life McCarthy and Quinn are those poet teachers each having fallen in love with poetry each having given over their lives to its beauty and power And this book is that classroom one which comes alive with force and pleasure with their shared belief that poetry itself comes truly alive when one speaks and hears it when it enters the consciousness through that breath and release when it has the power to change lives This book offers something new and necessary in the study of poetry John Hogden Poetry weds the body to the soul and *Sound Ideas* is a superb introduction to the manifold ways in which poets touch us to the core of our being This should be required reading for anyone interested in poetry particularly for those who hope to make poems themselves A brilliant book Christopher Merrill [Poetry Review](#)

*The Poetry Circuit* Peter B. Howarth, 2024-09-17 Live performance has changed poetry more than anything else in the last hundred years it has given poets new audiences and a new economy and it has generated new styles from Imagism to confessional to contemporary Spoken Word But the creative impact that public reading had right through the twentieth century has not been well understood Mixing close listening to archive performances

with intimate histories of modernist venues and promoters The Poetry Circuit tells the story of how poets met their audience again and how the feedback loops between their voices the venues and the occasions turned poems into running dramas between poet and listener A nervous T S Eliot reveals himself to be anything but impersonal while Marianne Moore s accident prone readings become subtle ways of keeping her poems in constant re draft Robert Frost used his poems to spar with his fans and rivals while Langston Hughes wrote Ask Your Mama to expose the prejudice circulating in the room as he spoke it The Poetry Circuit also shows how the post war reading boom made new kinds of poetry involving their audience and setting in the performance such as John Ashbery s anti charismatic Poets Theatre Amiri Baraka s documentary soundtracks of the streets or the confessional readings of Allen Ginsberg which shame the listeners more than the poet Covering the first seventy years of the poetry reading The Poetry Circuit demonstrates that there never were page and stage poets the reading simply changed what every modern poet could do no need to speak Emily Pineau,2013-03 Emily Pineau s poetry is honest exhibiting a wisdom beyond her age as a sophomore at Endicott College She promises a future in poetry that will enthrall readers Her relationship with an unnamed male in I would for you is one which many women have encountered but have not had the courage to enunciate Zvi A Sesling Muddy River Poetry Review author King of the Jungle **Women's**

Fenno,1893 **Modern Arabic Poetry** Salma Khadra Jayyusi,1987 After centuries of oppressive Ottoman

rule the Arab world began to find new vitality and freedom in the twentieth century The accompanying resurgence of creative expression is splendidly reflected in this definitive anthology of contemporary Arabic poetry which spans the modern Arab world from the turn of the century to the present from the Arab Gulf to Morocco The editor Salma Khadra Jayyusi a renowned expert on modern Arabic literature presents a thorough introduction to the works of more than ninety Arab poets To create the best possible English translation each selection has been translated first by a bilingual expert and then by an English language poet who creatively renders it into idiomatic English
