Speaking To You Of Grief:

Speaking to You of Grief Martha O. Williams,1987-01-01 **Speak Your Healing from the Homosexual Deception**

Bonnie M. Egglehand,2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone *The Grief Gallery* John Chizoba Vincent ,2025-10-10 The Grief Gallery is a haunting collection

of fourteen true life stories that wander through the quiet rooms of the human heart Each story opens a different gallery some dim with solitude others heavy with death bruised by betrayal or unexpectedly warmed by love In these pages hatred simmers loyalty breaks and silence becomes its own language You watch it bear fruit and watch it deny it Told with clarity and emotional depth the collection does not rush to heal or hide the truth Instead it invites readers to sit with grief in its many forms and recognize the private battles people carry The Grief Gallery is not just about pain it is about what survives after the breaking and the fragile connections that remain when love and loss collide **The Arts of Writing, Reading,**

and Speaking, in Letters to a Law Student Edward William COX (Serjeant-at-Law.),1867 [Listen! The Angels Speak](#)

Carolynn Milne,2014-05 It was a cold wet day I made my friends a hot cuppa and stoked up the open fire We sat looking at the flames and talking My voice suddenly changed in mid sentence The words I was saying were beautiful and elegant but they were not mine I was startled and confused What was going on What was that amazing energy flowing through me After the initial shock I quieted my mind enough to hear Maitreya It was his energy and his words He was with me to teach me and to work through me Over the next few days Jesus and Mary Magdalene both came through me with messages and energy to guide me I realized that as each came and went I had an involuntary shudder When I started to record their messages I found that my handwriting changed for each Six years later I still feel the amazing energies emotions and feelings of these Angelic Messengers I now know that this is not just for me but for all of humanity I don t have to be a saint I just need to have pure and loving thoughts at the time I am receiving and very importantly when I am recording Pure intention loving thoughts and lots of faith in me and in the Messengers allow this remarkable gift to flow through me I think of my higher consciousness as a dome The door to the Dome has a filter so only the Divine can enter The Messenger is never a force that controls me That is my deal with the Divine I always have free will The Messengers communicate to me by voice and sometimes by a knowledge of what to write in large blocks of information I work to bring these amazing messages to as many as possible **The Arts**
