

A man and a young child are walking away from the camera on a wooden pier that extends over a body of water. The man is wearing a dark long-sleeved shirt and light-colored shorts, and the child is wearing a light-colored shirt and dark shorts. The man is holding the child's hand. The pier is made of wooden planks and has a white rope railing on the left side. The water is calm and reflects the light. In the background, there are trees and a clear sky.

Life is made up of special moments  
which make it worth living.  
There are many cherished moments  
that are missed due to the stress  
and fast pace of daily living.  
We must slow down and  
remember how precious  
it is to be alive and to love.
