The Edible South Marcie Cohen Ferris, 2014-09-22 In *The Edible South* Marcie Cohen Ferris presents food as a new way to chronicle the American South's larger history Ferris tells a richly illustrated story of southern food and the struggles of whites blacks Native Americans and other people of the region to control the nourishment of their bodies and minds livelihoods lands and citizenship The experience of food serves as an evocative lens onto colonial settlements and antebellum plantations New South cities and civil rights era lunch counters chronic hunger and agricultural reform counterculture communes and iconic restaurants as Ferris reveals how food as cuisine and as commodity has expressed and shaped southern identity to the present day The region in which European settlers were greeted with unimaginable natural

abundance was simultaneously the place where enslaved Africans vigilantly preserved cultural memory in cuisine and Native Americans held tight to kinship and food traditions despite mass expulsions Southern food Ferris argues is intimately connected to the politics of power The contradiction between the realities of fulsomeness and deprivation privilege and poverty in southern history resonates in the region s food traditions both beloved and maligned *Taste of Home Recipes Across America* Taste of Home,2013-07-02 Whether sinking your teeth into crispy Southern Fried Chicken enjoying a Philly Cheese Steak or sampling a slice of Ozark Mountain Berry Pie you simply can t beat the comfort of iconic American foods Now it s easier than ever to sample the flavors of the country with Taste of Home Recipes Across America This keepsake collection offers 655 recipes that deliver regional flair from all 50 states Grill up a fiery Southwestern barbecue stir together a little Texas Caviar host a New England clam bake or share a Chicago deep dish pizza You ll find everything from no fuss snacks and quick supper ideas to weekend menu items and impressive desserts each of which left a delicious mark on its part of the country Divided into five regions Northeast South Midwest Southwest and West Recipes Across America offers all the mouthwatering specialties enjoyed by locals including unforgettable dishes featuring regional produce You ll even discover ethnic favorites passed down through generations of cultures who established roots in various cities throughout the nation As a bonus you ll enjoy fun food facts and folklore sprinkled throughout the pages For example did you know that Chef George Crum of Saratoga NY is rumored to have created the potato chip after a customer complained about the chef s fried potatoes There are even colorful photos and notes regarding regional landmarks infamous restaurants and more With so many recipes photos and kitchen tidbits Taste of Home Recipes Across America makes it a snap to take your senses on a culinary vacation you ll cherish for years to come
