Two Sisters, a Wedding, and a Birth Sandra Houser-Montgomery, 2022-01-24 As a mother wedding professional Sandra tells how she went from stressing over not being in two places at one time to regaining her inner peace Through songs of inspiration Scripture a little humor and dozens of practical tips on wedding planning and getting through a stressful situation she shows the way to anyone who does not have a personal relationship with God In all her years of attending church service she never once recalls hearing a sermon about God s sense of humor He must have one because of the many minor issues that she experienced This book is intended to make the reader laugh and or provoke thought while in retrospect make a difference in the lives of others Our lives are filled with lots of uncertainty In these pages you will get the sense that a personal relationship with God begins today and it begins the moment we realize our need for Him We cannot predict that what we have planned is actually going to turn out the way we planned it even though we hire professionals to make it so But if we could slow down the pace thereby giving us a little time to quiet ourselves before God in essence we will be moved by the Holy Spirit without us even being aware of it Sandra experienced the fact that sometimes God calms the storm and sometimes He lets the storm rage and calms His child In this instance He calmed His child and He made everything all right Also Sandra wants wedding planners brides and mothers of brides to read her book and get inspiration and know that things happen but with your faith in God things will work out in the end
