Spectacular Difference Selected Poems:

The Spectacular Difference Zeldah,2004 Filled with vivid often dreamlike pictures from the natural world the poems of Zelda Schneurson Mishkovsky known to her Hebrew readers simply as Zelda are unlike anything else in Hebrew literature Marcia Falk was authorized by the poet to be her translator and worked on these translations over the course of three decades Selected from all six of Zelda s books the poems are accompanied by the translator s essay introducing the poet and illuminating the highly personal and often startling images in her lyrics *The Days Between* Marcia Falk,2014-08-05 The Jewish High Holidays the ten days beginning with the New Year Festival of Rosh Hashanah and culminating with Yom Kippur the Day of Atonement constitute the most sacred period of the Jewish year During this season religious as well as nonaffiliated Jews attend synagogue services in unparalleled numbers Yet much of what they find there can be unwelcoming in its patriarchal imagery leaving many worshipers unsatisfied For those seeking to connect more deeply with their Judaism and for all readers in search of a contemplative approach to the themes of the fall season poet and scholar Marcia Falk re creates the holidays key prayers and rituals from an inclusive perspective Among the offerings in *The Days Between* are Hebrew and English blessings for festive meals prayers for synagogue services and poems and meditations for quiet reflection Emphasizing introspection as well as relationship to others Falk evokes her vision of the High Holidays as ten days of striving to keep the heart open to change Accessible and welcoming to modern readers *The Days Between* is steeped in traditional sources and grounded in liturgical and biblical scholarship It will serve as a meaningful alternative or supplement to the traditional liturgy for individuals families synagogues and communities small and large that is for all who seek fresh meaning in the High Holidays ליל פסח Marcia Falk,2022-03-14 *Night of Beginnings* is a groundbreaking new haggadah for the Passover seder from acclaimed poet translator and liturgist Marcia Falk beautifully designed and illustrated with original color drawings by the author Unlike both traditional and new haggadahs which do not contain a full recounting of the biblical story *Night of Beginnings* presents the Exodus narrative in its entirety providing a direct connection to the ancient origins of the holiday This retelling highlights the actions of its female characters including Moshe s sister Miriam Pharaoh s daughter who adopts the baby Moshe and the midwives Shifrah and Pu ah who save the Hebrew male infants Falk s revolutionary new blessings in Hebrew and English replace the traditional patriarchal seder blessings and her kavanot meditative directions for prayer introduce a genre new to the seder ritual Poems psalms and songs are arranged to give structural coherence to the haggadah A new commentary raises interpretive questions and invites us to bring personal reflections into the discussion Like the author s widely acclaimed previous prayer books *The Book of Blessings* and *The Days Between* Falk s poetic blessings for the seder envision the divine as a Greater Whole of which we are an inseparable part The inclusive language of Falk s blessings makes room for women to find and use their voices more full throatedly than they were able to do with the male centered prayers inherited from the early rabbis Men too will encounter here a spiritually moving

Gates of Shabbat Mark Dov Shapiro, Scott-Martin Kosofsky, The Philidor Company, 2016-08-04 **How We Age** Marc E. Argonin, 2011-02-01 In the tradition of Atul Gawande and Sherwin Nuland Marc Agronin writes luminously and unforgettably of life as he sees it as a doctor His beat is a nursing home in Miami that some would dismiss as God s waiting room Nothing in the young doctor s medical training had quite prepared him for what he was to discover there As Agronin first learned from ninety eight year old Esther and later from countless others the true scales of aging aren t one sided you can t list the problems without also tallying the hopes and promises Drawing on moving personal experiences and in depth interviews with pioneers in the field Agronin conjures a spellbinding look at what aging means today how our bodies and

brains age and the very way we understand aging

Laws of the Spirit Ariel Evan Mayse, 2024-05-28 The compelling vision of religious life and practice found in Hasidic sources has made it the most enduring and successful Jewish movement of spiritual renewal of all time In this book Ariel Evan Mayse grapples with one of Hasidism's most vexing questions how did a religious movement known for its radical views about immanence revelation and the imperative to serve God with joy simultaneously produce strict adherence to the structures and obligations of Jewish law Exploring the movement from its emergence in the mid 1700s until 1815 Mayse argues that the exceptionality of Hasidism lies not in whether its leaders broke or upheld rabbinic norms but in the movement's vivid attempt to rethink the purpose of Jewish ritual and practice Rather than focusing on the commandments as law he turns to the methods and vocabulary of ritual studies as a more productive way to reckon with the contradictions and tensions of this religious movement as well as its remarkable intellectual vitality Mayse examines the full range of Hasidic texts from the eighteenth and early nineteenth centuries from homilies and theological treatises to hagiography letters and legal writings reading them together with contemporary theories of ritual Arguing against the notion that spiritual integrity requires unshackling oneself from tradition *Laws of the Spirit* is a sweeping attempt to rethink the meaning and significance of religious practice in early Hasidism

David's Politics Paul R. Abramson, 2016-11-21 David's Politics evaluates what we can learn about politics by studying David's life as presented in the Books of Samuel through the first two chapters of 1 Kings I begin by discussing the rules for kingship set forth in Deuteronomy and carry this through to the elders demand that the prophet Samuel appoint a king Despite his reluctance he appoints Saul who has many military successes But when he fails when he fails to annihilate the Amalekites God withdraws his grace and Saul falls into a state of depression which grows worse as the story progresses David is called to Saul's court as a musician I argue that he has three roles first as a servant to King Saul second as a rebel against Saul and third as king As a servant to Saul David establishes his credentials as a warrior and also becomes the king's son in law As a rebel against Saul David again takes actions that solidify his future support in Israel and Judah David has two opportunities to kill Saul but refuses to kill him He also cements his political support in Judah After becoming king David's military successes are the prime reason for his support He also administered justice which may have further bolstered his legitimacy Indeed David did what was right all the days of his life except in the matter of Uriah the Hittite 1 Kings 15:5 By committing adultery with Bathsheba Uriah's wife and by having Uriah murdered David brings grief upon himself and his family the rape of his only named daughter the murder of Amnon his first born son and the death in battle of Absalom who is probably David's oldest surviving son Throughout most of this account David displays remarkable political sagacity and more can be learned studying his life than that of any other king of Israel or Judah
