Speculum Gy de Warewyke Georgiana Lea Morrill, 1973 The Legend of Guy of Warwick Velma Bourgeois Richmond, 2021-11-18

First published in 1996. This lavishly illustrated study is a comprehensive literary and social history which offers a record of changing genres manuscript book production and cultural political and religious emphases by examining one of the most long lived popular legends in England. Guy of Warwick became part of history when he was named in chronicles and heraldic rolls. The power of the Earls of Warwick especially Richard de Beauchamp inspired the spread of the legend but Guy's highest fame came in the Renaissance as one of the Nine Worthies. Widely praised in texts and allusions Guy's feats were sung in ballads and celebrated on the stage in England and France. The first Anglo Norman romance of Gui de Warewic a Saxon hero of the tenth century was written in the early 13th century the latest retellings of the legend are contemporary. Examples of Guy's legend can be found in two English translations that survived the Middle Ages a new French prose romance a didactic tale in the Gesta Romanorum and late medieval versions in Celtic German and Catalan as well as English. Guy remained a favorite Edwardian children's story and was featured in the Warwick Pageant an historical extravaganza of 1906. The patriotism of World War II sparked a resurgence of interest that produced several new versions mostly folkloric.

From the Prefatory Note: The text of the poem has been carefully arranged from six manuscripts on basis of the Auchinleck MS and was printed in May 1896 an edition having been already completed in German and in English. In harmony with the suggestion of Dr Furnivall the work does not present a distinctively critical text but it aims to mark fidelity to its original and to avoid arbitrary changes by which a picturesque meaning would be lost or an interesting philological form obscured. Full material for such a text subject to the judgment of the individual student is offered in the decisive readings of the various manuscripts of the Speculum and in its critical notes. The arrangement of the Introduction needs no explanation. It will be seen that Part I contains a description of the

manuscripts of the poem and a critical investigation of its texts Part II is limited to the examination of its sources and its genesis with reference to history and literature and particularly to the Guy of Warwick romances Part III treats of the language and the metrical and inflectional forms used by the poet his dialect and the chronology and authorship of the poem It is recognized that in some decisions there is ground for other opinions than those adopted in these pages I am aware that there are three readings of no great importance that might contradict the pedigree of the manuscripts as it stands at present The question is open to the friendly opinion of the public The peculiarly individual development of each of the texts has rendered the arrangement of the genealogical tables one of marked delicacy Some points could have been discussed more briefly than I have judged¹ advisable Others could have been treated with greater fulness The enumeration of the Biblical sources of the various passages is not complete but has received additional references in the explanatory notes The chapter on inflection could have been enriched by other appropriate illustrations the phonology with more complete comparison with other M E texts and the analysis of the relationship of the various Guy of Warwick manuscripts could have been more exhaustive but additional expansion was believed to be beyond the scope of the volume The present edition seems to set forth the main peculiarities of the poem *Speculum Gy de Warewyke* Early English Text Society, 1973 *Speculum Gy de Warewyke (Guy of Warwick)*. , ***Speculum Gy de Warewyke*** Georgiana Lea Morrill, 1898 **SPECULUM GY DE WAREWYKE** Georgiana Lea Morrill, 2016-08-27 ***Speculum Gy De Warewyke*** Georgiana Lea Morrill, 2016-07-03

Excerpt from *Speculum Gy De Warewyke* An English Poem With Introduction Notes and Glossary Adequate recognition will it is trusted be conceded the *Speculum* not merely through reverence for antiquity and susceptibility to romance but through an instinct for the preservation of what is in itself of individual merit The poem a quaint conceit of an author of the me Period has an aesthetic value preserving traces of the naive vigour of pre conquest literature and reflecting the culture of the mediaeval poet It is a fair example of the homily of the thirteenth century and gives testimony to the theological status of that period of English life but in general tendency incorporating an episode in the career of the marvellous hero of Warwick it links itself with the metrical romance Its text possesses philological interest in its vocabulary through the introduction of rare words and through its phonology as marked in its rime The volume opens to the public for the first time manuscripts of unique interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works ***Speculum Gy De Warewyke: an English Poem***, Ed.
