Mysteries of the Bible Glenn Ahrens, 2022-07-06 There are so many stories and rumors about the Bible that it really frustrates me From the lost books of the Bible to interpretations that are not even close to the real thing As Christians we profess to believe in one God and one Bible The million dollar question is how do we get well over nine thousand different religions that all claim to believe in the same thing After fifteen years of research and scholastic training I wrote this book with the purpose of getting out the truth about the Bible going back to the original Greek and Hebrew and eyewitness accounts from people that lived in the time of Jesus I categorically prove step by step how despite the diverse sources and writers of the Bible all the books of the Bible belong where they are and are divinely inspired or divinely written Also that every book chapter and verse belongs exactly where it is and fits together like a puzzle There is an intricate web of mysteries that tie it all together I thoroughly explain seven of these mysteries and how they hold the Bible together It is time that the truth be known about the Bible and have the stories and rumors put to rest for once and for all I spent over fifteen years of my life dedicated to that This book is based solely on fact and history with no interpretations added unless I say it s my opinion
