Annual Report North Carolina. Dept. of Labor and Printing, 1899 **Jane Fonda** Fred Lawrence Guiles, 2020-04-28 Jane Fonda has been in the public eye since birth just being Henry s daughter qualified her for celebrity status However her intelligence and talent compelled her to reach beyond this birthright to become an individual of extraordinary and diverse accomplishments It would take a restless camera to document Jane Fonda s life for she is a woman of formidable energy but Fred Lawrence Guiles expert commentary captures her in motion We pursue her in a tireless route of study self discovery and social awareness that causes her to ultimately reject the Beautiful People life style of her first husband Roger Vadim for the role of political activist with her present husband Tom Hayden We witness how the shift in political climate transforms her from history s scourge to history s darling Yet despite governmental harassment and public scorn for her radical beliefs she nonetheless achieves international acclaim for her acting and twice received the Academy Award for Best Actress Candid interviews with friends relatives and colleagues enrich this admiring but honest portrait fifty three black and white photographs complement an impeccable text vivifying an exceptional woman of many identities An unmistakable impression remains that Jane Fonda will continue to grow and the world will continue to watch *Report of the Geological Survey of North Carolina* North Carolina.
