A Textbook of Modern Western Armenian Kevork B. Bardakjian, Robert W. Thomson, 1977 **Modern Western Armenian for the English-speaking world** Dora Sakayan, 2000 **A Course in Modern Western Armenian** Thomas J. Samuelian, 1989 Contains a 4 000 word Western Armenian English English Western Armenian lexicon comprising the vocabulary from the exercises Prepared specifically with the needs of the non native speaker in mind it provides the kind of information a non native speaker needs to use a word properly By including morphological as well as syntactic information it eliminates confusion about how to conjugate verbs decline nouns and use cases in conjunction with verbs adjectives and prepositions It also provides a practical introduction to Armenian word building etymology language history dialectology Classical Armenian spelling and punctuation Armenian, Beginner's Hagop Andonian, 1999 This book provides a guide to Armenian alphabet and pronunciation with 15 chapters explaining essentials of the modern Western Armenian Grammar together with exercise exemplifying the rules *A grammar of Iranian Armenian* Hossep Dolatian, Afsheen Sharifzadeh, Bert Vaux, 2023-10-20 Iranian Armenian is the variety of spoken Armenian that was developed by Armenians in Tehran Iran over the last few centuries It has a substantial community of speakers in California This variety or lect is called Persian Armenian p sk h je en or Iranian Armenian i n h je en by members of the community The present book is not a comprehensive grammar of the language It occupies a gray zone between being a simple sketch versus a sizable grammar We attempt to clarify the basic aspects of the language such as its phoneme inventory noticeable morphophonological processes various inflectional paradigms and some peculiar aspects of its syntax We likewise provide a sample text of Iranian Armenian speech Many aspects of this variety seem to be identical to Standard Eastern Armenian SEA so we tried to focus more on those aspects of Iranian Armenian which differ from SEA The phonology has developed new phonemes and intonational contours due to contact with Persian The morphophonology has grammaticalized allomorphic patterns that are phonosyntactic meaning they reference syntactic information Nominal morphology is largely identical to SEA but with some simplification of irregular processes Verbal morphology is similar to SEA but with major innovations in the aorist paradigm The aorist or past perfective paradigm has undergone a change whereby irregular patterns have been reanalyzed as regular patterns The syntax is largely the same as SEA but with innovations due to contact with Persian such as object clitics and the use of resumptive pronouns

A History of Armenian Women's Writing, 1880-1922 Victoria Rowe, 2003 A History of Armenian Women TM s Writing

1880 1921 introduces the reader to the wealth and diversity of women TM s writing in Armenian in the late nineteenth and early twentieth centuries The volume focuses on six Armenian women writers Srpouhi Dussap Sibyl Mariam Khatisian Marie Beylerian Shushanik Kurghinian and Zabel Yesayian and these authors TM novels short stories poems and essays The study contends that Western and Eastern Armenian women writers while not displaying a uniformity of opinion and vision nevertheless found inspiration in the activism writings and arguments of one another and form a literary genealogy of women TM s writing in Armenian The study has several objectives For general readers and those interested primarily in the historical account it provides a chronological description of the formative period of modern Armenian women TM s writing beginning in 1880 with the publication of a series of articles on women TM s education and employment by Srpouhi Dussap and concludes with the physical dislocations and psychological traumas of the Armenian Genocide in 1915 and the fall of the first independent Republic of Armenia in 1921 On another level the book concentrates on disentangling the contemporaneous intellectual debates about Armenian women TM s proper sphere The author argues that the role of the Armenian woman was central to debates about national identity education the family and society by Armenian writers and women writers sought to participate in and guide this discourse through literary texts

New Approaches to Medieval Armenian Language and Literature Joseph Johannes Sicco Weitenberg,1995 This book offers a reevaluation of the character of medieval 12-17th century Armenian literature and language It contains a number of contributions by leading Armenologists Cowe Russell Thomson and Stone and of a younger generation of scholars who attempt to confront the traditional approach of this period with the new insights gained in modern occidental medieval studies One may call these papers New because they study the literary highlights not only of Cilician Armenia of the Crusader period but of all Armenia and put these in a wider cultural context the authors emphasize both inner Armenian continuity and contemporary external Persian Turkish literary and linguistic influences The papers concern Armenian lyrical poetry models for the evaluation of the medieval Armenian literary production both traditional and new and the linguistic conditions which favoured such a production Particular attention has been given to the cultural background of Armenian grammatical studies and to the character of the first Armenian grammars printed in the Occident

Handbook of Comparative and Historical Indo-European Linguistics Jared Klein,Brian Joseph,Matthias Fritz,2017-10-23 This book presents the most comprehensive coverage of the field of Indo European Linguistics in a century focusing on the entire Indo European family and treating each major branch and most minor languages The collaborative work of 120 scholars from 22 countries Handbook of Comparative and Historical Indo European Linguistics combines the exhaustive coverage of an encyclopedia with the in depth treatment of individual monographic studies

Samuelian,1989 *Armenian Forum* ,1999 Pluricentric Languages Michael Clyne,2012-05-24 CONTRIBUTIONS TO THE SOCIOLOGY OF LANGUAGE brings to students researchers and practitioners in all of the social and language related sciences carefully selected book length publications dealing with sociolinguistic theory methods findings and applications It approaches the study of language in society in its broadest sense as a truly international and interdisciplinary field in which various approaches theoretical and empirical supplement and complement each other The series invites the attention of linguists language teachers of all interests sociologists political scientists anthropologists historians etc to the development of the sociology of language **International Encyclopedia of Linguistics** William J. Frawley,2003-05-01 The International Encyclopedia of Linguistics 2nd Edition encompasses the full range of the contemporary field of linguistics including historical comparative formal mathematical functional and philosophical linguistics with special attention given to interrelations within branches of linguistics and to relations of linguistics with other disciplines Areas of intersection with the social and behavioral sciences ethnolinguistics sociolinguistics psycholinguistics and behavioral linguistics receive major coverage along with interdisciplinary work in language and literature mathematical linguistics computational linguistics and applied linguistics Longer entries in the International Encyclopedia of Linguistics

ranging up to four thousand words survey the major fields of study for example anthropological linguistics history of linguistics semantics and phonetics Shorter entries treat specific topics within these fields such as code switching sound symbolism and syntactic features Other short entries define and discuss technical terms used within the various subfields or provide sketches of the careers of important scholars in the history of linguistics such as Leonard Bloomfield Roman Jakobson and Edward Sapir A major portion of the work is its extensive coverage of languages and language families From those as familiar as English Japanese and the Romance languages to Hittite Yoruba and Nahuatl all corners of the world receive treatment Languages that are the subject of independent entries are analyzed in terms of their phonology grammatical features syntax and writing systems Lists attached to each article on a language group or family enumerate all languages extinct or still spoken within that group and provide detailed information on the number of known speakers geographical range and degree of intelligibility with other languages in the group In this way virtually every known language receives coverage For ease of reference and to aid research the articles are alphabetically arranged each signed by the contributor supported by up to date bibliographies line drawings maps tables and diagrams and readily accessible via a system of cross references and a detailed index and synoptic outline Authoritative comprehensive and innovative the 2nd edition of the International Encyclopedia of Linguistics will be an indispensable addition to personal public academic and research libraries and will introduce a new generation of readers to the complexities and concerns of this field of study

Resources in Education ,1977-10 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1978 *The Languages of the Soviet Union* Bernard Comrie,1981-06-04 A general account of the languages of the Soviet Union one of the most diverse multinational and multilingual states in the world as well as one of the most important There are some 130 languages spoken in the USSR belonging to five main families and ranging from Russian which is the first language of about 130 000 000 people to Aluet spoken only by 96 in the 1970 census Dr Comrie has two general aims First he presents the most important structural features of these languages their genetic relationships and classification and their distinctive typological features Secondly he examines the social and political background to the use of functioning of the various languages in a multilingual state The volume will be of importance and interest to linguists and to those with a broader professional interest in the Soviet Union *Causatives and Causation* Jae Jung Song,2014-06-11 Causatives and Causation is the first comprehensive study of causative constructions found in the world s languages This important new research based on a data base of more than 600 languages not only investigates fully the richness and variety of causative types but also presents an alternative perspective to the traditional typological approach The new typology enables a better understanding of how the human mind cognizes causation and how this is reflected in language Causatives and Causation is also an important attempt to integrate language typology with diachrony by constructing a diachronic model of causative affixes on the basis of this new typology Drawing on the theoretical insight of Role and Reference Grammar this book

provides a case study of the causative constructions in Korean providing additional support for both the proposed new typology and the diachronic model It also examines the pragmatic foundations of causatives an important but previously unexplored area of study
