**Southern Workers and the Search for Community** George Calvin Waldrep, 2000 Southern Workers and the Search for Community is the first major effort to interpret the enduring legacy of the southern textile industry company owned mill villages and the union struggles of the 1930s Focusing on Spartanburg County South Carolina G C Waldrep offers an eloquent study of the hopes and fears that define patterns of labor activism Revealing a complex meshing of community ties and traditions with the goals and ideals of unionism Waldrep shows how unions fed into a social vision of mutuality equality and interdependency already established in mill villages This powerful sense of community however ultimately rested on sand Because the villages themselves were the property of management any labor conflict involved not only issues of wages hours and working conditions inside the mill but also virtually every other aspect of life Most important the mill owners held the trump card of eviction Waldrep looks beyond official versions of union activity in Spartanburg County to explain the episodic and apparently erratic eruptions of labor tensions and intervening periods of calm Drawing on private records of textile workers their employers and their unions during the 1930s and 1940s as well as more than a hundred oral interviews with workers Waldrep reinterprets the periods of quiescence that have long puzzled historians Documenting the high stakes of labor protest in mill villages Waldrep shows how the erosion or outright destruction of community systematically undermined the ability of workers to respond to the assaults of employers overwhelmingly supported by government agencies and agents Beautifully written and persuasively argued Southern Workers and the Search for Community opens the gates of southern company towns to illuminate the human issues behind the mechanics of labor

**The 1934 St. Louis Cardinals** Edited by Charles F. Faber, The 1934 St Louis Cardinals were one of the most colorful crews ever to play the National Pastime Sportswriters delighted in assigning nicknames to the players based on their real or imagined qualities What a cast of characters it was None was more picturesque than Pepper Martin the Wild Horse of the Osage who ran the bases with reckless abandon led his team mates in off the field hi jinks and organized a hillbilly band called the Mississippi Mudcats He was quite a baseball player the star of the 1931 World Series and a significant contributor to the 1934 championship The harmonica player for the Mudcats was the irrepressible Dizzy Dean Full of braggadocio Dean delivered on his boasts by winning 30 games in 1934 the last National League hurler to achieve that feat Dizzy and his brother Paul accounted for all of the Cardinal victories in the 1934 World Series Some writers tried to pin the moniker Daffy on Paul but that name didn t fit the younger and much quieter brother The club s hitters were led by the New Jersey strong boy Joe Ducky Medwick who hated the nickname preferring to be called Muscles Presiding over this aggregation was the Fordham Flash Frankie Frisch Rounding out the club were worthies bearing such nicknames as Ripper Leo the Lip Spud Kiddo Pop Dazzy Ol Stubblebeard Wild Bill Buster Chick Red and Tex Some of these were aging stars past their prime and others were youngsters on their way up Together they comprised a championship ball club The Gas House Gang was the greatest baseball club I ever saw They thought they could beat any ballclub and they just about could too When they got on that ballfield they played baseball and they played it to the hilt too When they slid they slid hard There was no good fellowship between them and the opposition They were just good tough ballplayers Cardinals infielder Burgess Whitehead on When It Was A Game HBO Sports 1991 Baseball's Dead of World War II Gary Bedingfield,2009-12-14 While most fans know that baseball stars Ted Williams Hank Greenberg and Bob Feller served in the military during World War II few can name the two major leaguers who died in action They were catcher Harry O Neill and outfielder Elmer Gedeon Far fewer still are aware that another 125 minor league players also lost their lives during the war This book draws on extensive research and interviews to bring their personal lives baseball careers and wartime service to light **Baseball** Edward J. The Pirates Unraveled Angelo J. Louisa, 2015-11-06 With virtually the same personnel that had won both the National League pennant and the World Series the previous season the 1926 Pittsburgh Pirates were favored by the majority of preseason prognosticators to capture the pennant for the second year in a row But they finished in third place four and a half games behind the St Louis Cardinals That failure has largely been attributed to the alleged dissension caused by the presence of vice president and assistant to the manager Fred Clarke on the Pirate bench and to the ramifications of an attempt by several players to remove him known as the ABC Affair This book chronicles the 26 Pirates showing that the blame assigned to Clarke has been mostly misplaced and that the reasons for the Bucs failure were far more complex
