Included are more than 700 alphabetically arranged entries written by roughly 60 expert contributors. While most of the entries are on writers such as Julia Alvarez, Sandra Cisneros, Lorna Dee Cervantes, Oscar Hijuelos, and Piri Thomas, others cover genres, ethnic and national literatures, movements, historical topics and events, themes, concepts, associations, and organizations, and publishers and magazines. Special attention is given to the cultural, political, social, and historical contexts in which Latino literature has developed. Entries cite works for further reading, and the encyclopedia closes with a selected general bibliography. The encyclopedia gives special attention to the social, cultural, historical, and political contexts of Latino literature, thus making it an ideal tool to help students use literature to learn about history and cultural diversity.
