## **Textual Analysis Of Movie Director Oliver Stones Nixon:**

*A Textual Analysis of Movie Director Oliver Stone's Nixon* Russ Witcher, 2004 This critical analysis of director Oliver Stone's *Nixon* argues that the screenplay and film are early attempts in American cinema to put the life of Richard Nixon in proper historical perspective Although known for his provocative and controversial approach in his films toward people and events of the 1960s and 70s in America Stone has delivered an evenhanded account of the impact of Nixon on American history Previous portrayals of Nixon in television and movie dramas had largely depicted Nixon as either the incarnation of evil or as an oddly comic character worthy of satirizing Stone's film is one of the first to present Nixon properly as the brilliant complicated and ultimately flawed geopolitical thinker that he was This book is appropriate for anyone interested in the Cold War American film or popular art and politics and adds to the study of the media's depiction of history and historical figures

*Films about Jewish Life and Culture* Michael Taub, 2005 Taub writes with clarity and insight about various dimensions of Jewish life and culture as they are portrayed in film His discussions range from antisemitism to the Holocaust and from the religious life of American Jews to Hollywood's representation of Israel

*The British National Bibliography* Arthur James Wells, 2005 **Annual Bibliography of English Language and Literature** Modern Humanities Research Association, 2005 Includes both books and articles *American Book Publishing Record*, 2005 **Hollywood's White House** Peter C. Rollins, John E. O'Connor, 2005-02-01 From action flicks to biopics to SNL skits how presidents are portrayed on screen An interesting study of the real presidency and the reel presidency USA Today Magazine Winner of the Popular Culture Association's Ray and Pat Browne Book Award Whether serious or satirical biographical or fictional the ways that US presidents are depicted in popular culture reveal much about us as a nation The contributors to Hollywood's White House examine the historical accuracy of presidential depictions illuminate their influence and uncover how they reflect the concerns of their times and the social and political visions of the filmmakers With reflections on portrayals of Washington Adams Lincoln FDR Nixon and more this volume which includes a comprehensive filmography and a bibliography is ideal for both historians and film enthusiasts An engaging collection Robert Brent Toplin author of *Reel History In Defense of Hollywood*

**New Beginnings in Literary Studies** Willie van Peer, 2021-02-03 Traditional studies of literature have developed approaches ranging from historical hermeneutic critical close reading and author studies perspectives The present volume shows that there is much much more to analysing literary texts their readers the literary system movies their structure and their effects These diverse new ways of looking at literature are exemplified in this volume The volume shows how these various approaches can be carried out in concrete projects in the area of literary studies Twenty three chapters encompass research on literary studies from perspectives of psychology linguistics anthropology history sociology computer science The contributors demonstrate in non technical language the amplitude of detail and insight that can be gained from such a wider perspective on the study of literary texts The interdisciplinary diversity of the study of literature may launch

itself as a New Beginnings in Literary Studies indeed      **Reel Power** Matthew Alford,2010-08-06 Hollywood is often characterised as a stronghold of left liberal ideals In *Reel Power* Matthew Alford shows that it is in fact deeply complicit in serving the interests of the most regressive US corporate and political forces Films like *Transformers Terminator Salvation* and *Black Hawk Down* are constructed with Defence Department assistance as explicit cheerleaders for the US military but Matthew Alford also emphasises how so called radical films like *Three Kings Hotel Rwanda* and *Avatar* present watered down alternative visions of American politics that serve a similar function *Reel Power* is the first book to examine the internal workings of contemporary Hollywood as a politicised industry as well as scores of films across all genres No matter what the progressive impulses of some celebrities and artists Alford shows how they are part of a system that is hard wired to encourage American global supremacy and frequently the use of state violence      Software and CD-ROM Reviews on File ,1996      **Shambhala Sun** ,1995      **Time Out Film Guide** John Pym,2002 This is an alphabetical critical guide to films based on *Time Out* reviews since the mid 1980s It covers every area of world cinema including classic silents and 1930s comedies documentaries and the avant garde French or Japanese the Hollywood mainstream and B movie horrors Features include cast lists and other key creative personnel more than 110 obituary notes from 2001 2002 and indexes covering film by country genre subject director and actor This new edition includes a new *Time Out* readers top 100 film poll plus 2001 2002 Oscar and BAFTA awards as well as prizes from the Berlin Venice and Cannes festivals      *The Political Thriller in Contemporary American Cinema* Krešimir Bobaš,2025-06-30 *The Political Thriller in Contemporary American Cinema* examines how political thriller films de construct and reflect the sociopolitical realities of the second half of the twentieth century as well as the first two decades of the twenty first century The book highlights the convergence between the cinematic narrative its underlying political discourse and the audience s perception of it Through a critical lens it analyzes how contemporary films utilize characterization narrative and suspense to examine topics of governance malfeasance and power dynamics By referring to films such as *The Manchurian Candidate Zero Dark Thirty* and *Snowden* this book traces the evolution of the political thriller questioning how its narratives mirror issues such as covert operations the erosion of democracy and governmental surveillance In turn the conspiratorial and underlying paranoid nature of these films serves as a reflection of societal anxieties and a metaphorization of the levers of power in America s modern day democracy Consequently this book serves as a contribution to the growing body of research on political cinema and the way it simultaneously reflects and shapes political life through its role as a sociocultural phenomenon In doing so it invites readers to further delve into the exploration of these films which represent complex commentaries on the structures of corporations media and the military that are predominant in contemporary American society and cinema      **Sight and Sound** ,1996      **Time Out Film Guide** ,2003      Forthcoming Books Rose Arny,2002      **Perspectives** ,1996      Propaganda & Persuasion Garth S. Jowett,Victoria O'Donnell,2018-08-24 Reflecting the remarkable changes in the world of propaganda due

to the increasing use of social media this updated Seventh Edition provides a systematic introduction to the increasingly complex world of propaganda Viewing propaganda as a form of communication the authors help readers understand information and persuasion so they can understand the characteristics of propaganda and how it works as a communication process Providing provocative case studies and fascinating examples of the use of propaganda from ancient times up through the present day Propaganda and Persuasion provides an original model that helps students analyze the instances of propaganda and persuasion they encounter in everyday life New to the Seventh Edition New coverage of social media as a disseminator of propaganda offers readers an up to date perspective The book s four case studies have been updated and strengthened to demonstrate their relevance not only to past and contemporary culture but also to the study of propaganda campaigns New coverage of how a propaganda case study can be structured to reveal the components of a campaign allows students to compare strengths and weaknesses across different types of campaigns and evaluate the relative success of various propaganda strategies Updated research on persuasion and expanded coverage of collective memory as it appears in new memorials and monuments enhances the presentation Current examples of propaganda especially the ways it is disseminated via the Internet deepen student understanding New illustrations and photos add a unique visual dimension that helps readers conceptualize methods of persuasion and propaganda

**AHA Perspectives** ,1996 New York Magazine ,1995-09-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**Holy Fable Volume IV** Robert M. Price,2020-04-21 In this fourth volume of Robert M Price s celebrated Holy Fable series he turns his critical lens away from the Bible and toward a broader range of scriptural works that were written or rediscovered in modern times Employing the same sympathetic but eagle eyed treatment that defined past volumes he offers in depth analysis of the Joseph Smith penned Book of Mormon the long sealed Gospel according to Thomas the New Age Jesus of the Aquarian Gospel the H P Lovecraft invented Necronomicon and the Andrew Lloyd Webber and Tim Rice rock opera Jesus Christ Superstar With his trademark scholarship and wit he demonstrates how and why this eclectic mix of contemporary scriptural work provides genuine spiritual inspiration to a colorful variety of religious groups and seekers today
