### **Textured Life Empowerment And Adults With Developmental Disabilities:**

*A Textured Life* Alison Pedlar, 1999-04-16 Based on an extensive Canadian survey of support services for adults with developmental disabilities and 141 interviews with such adults their families and support staff this book discusses the empowerment through community which developmentally disabled people can experience in today's post deinstitutionalized society The Canadian origins of the work do not prevent it from being relevant to professionals working with these populations in the United States and elsewhere Annotation copyrighted by Book News Inc Portland OR

**Challenges to the Human Rights of People with Intellectual Disabilities** Frances Owen, Dorothy Griffiths, 2008-12-15 This book provides a multidisciplinary examination of human rights and the lives of people with intellectual disabilities It combines historical psychological philosophical social educational medical and legal perspectives to form a unique and insightful account of the subject

Canadian Social Policy Anne Westhues, 2006 What are the major issues confronting social policy makers today What theoretical perspectives shape our thinking about the causes of social problems and how we should respond What can we do to influence decision makers about which policy choice to make In this completely revised and updated edition of *Canadian Social Policy* a new generation of social policy analysts discusses these important questions Readers who are interested in discovering the current policy debates and who want to understand the policy making process at various levels of government as well as how they can influence the process and assess whether policies are working will find this book invaluable

*A Field Guide to Managing Diversity, Equality and Inclusion in Organisations* Dhakal, Subas, Cameron, Roslyn, Burgess, John, 2022-10-18 Organisations across the private public and not for profit sectors require active Diversity Equality and Inclusion DEI policies and programs and are increasingly subject to meeting legislative standards around the DEI principles of equal opportunity anti discrimination and human rights Bringing together more than 20 insightful contributions from a diverse range of researchers this dynamic Field Guide examines the theories practices and policies of diversity management

**Disability and Social Change** Jeanette Robertson, 2020-07-10T00:00:00Z This edited collection uses a critical theory perspective and draws on expertise from a range of contemporary policy and practice areas Contributors include people with disabilities family members researchers academics and practitioners This book is an ideal text for students of social work human services child and youth care and disability studies Chapters include first person accounts from persons with disabilities perspectives of families and historical perspectives as well as a critical exploration of demographics human rights issues disability legislation and policy in Canada theoretical approaches to disability intersectionality and disability Aboriginal people and disability mental health disability principles of anti ableist practice advocacy and strategies for change This book offers as a fresh Canadian perspective on disability from a critical lens challenging and inspiring students and practitioners alike to think outside the box and to examine their own attitudes and values toward disability ensuring that they do not inadvertently impose ableist and oppressive practices on one of Canada's

most marginalized populations      **Technology and the Good Life?** Eric Higgs, Andrew Light, David Strong, 2010-12-15 Can we use technology in the pursuit of a good life or are we doomed to having our lives organized and our priorities set by the demands of machines and systems How can philosophy help us to make technology a servant rather than a master Technology and the Good Life uses a careful collective analysis of Albert Borgmann's controversial and influential ideas as a jumping off point from which to address questions such as these about the role and significance of technology in our lives Contributors both sympathetic and critical examine Borgmann's work especially his device paradigm apply his theories to new areas such as film agriculture design and ecological restoration and consider the place of his thought within philosophy and technology studies more generally Because this collection carefully investigates the issues at the heart of how we can take charge of life with technology it will be a landmark work not just for philosophers of technology but for students and scholars in the many disciplines concerned with science and technology studies      Pathways to Inclusion John Lord, Peggy Hutchison, 2007      **Canadian Social Policy, Fifth Edition** Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of Canadian Social Policy Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported      **Developments in Direct Payments** Janet Leece, Joanna Bornat, 2006-01-11 From a campaigning concept in the 1970s direct payments the substitution of cash for services have become a key part of UK government social care provision This book charts the change critically evaluating progress take up inclusion and access to direct payments by different user groups      **Shifting the Paradigm in Community Mental Health** Geoffrey Brian Nelson, John Lord, Joanna Ochocka, 2001-01-01 Examines changes in the values and practices within community mental health that occurred between 1984 and 1998 in the Kitchener Waterloo area A valuable guide for future research and for consumers and administrators in the mental health field      **A Handbook of**
