 organisation *State and Uncivil Society in Thailand at the Temple of Preah Vihear* Puangthong R. Pawakapan,2013-08-19
 Since it began in 2008 the dispute over the temple of Preah Vihear and its adjacent area has envenomed Thai Cambodian
 relations Puangthong R Pawakapan argues that initially Thai Cambodian cooperation on the temple had begun within the
 framework of Thailand s strategy to become a regional economic centre and leader It was the first time in Southeast Asia
 that two formerly antagonistic states were employing cultural methods to settle a territorial dispute and turned it into a
 symbol of friendship and cooperation between the two countries But the ultra nationalist movement derailed this essay in
 cooperation Instead the temple became a symbol of hatred between the two countries The ultra nationalists success has to be
 attributed to the support it enjoyed from various civic groups and institutions Whither South East Asian Management?
