

Thailand - a travel survival kit

Thailand's unique culture remains largely unchanged despite the influences of foreigners. For the traveller, evidence of Thailand's heritage is found in its many temples, in its arts, and in the people themselves who have a tradition of friendliness and hospitality.

Thailand also offers secluded beaches on exotic islands, and the brazen nightlife of Bangkok.

Joe Cummings knows Thailand - its people, its culture and its language - and in this book he tells you what to see and how to see it. This edition has been expanded and extensively revised with place names now shown in Thai script, updated facts, more places to see, and more new maps.

regional literatures In northeastern Thailand s Isan region authors write primarily in Thai but it is possible nonetheless to identify an Isan literature which played a significant and at times pivotal role in the development of Thai literature in the second half of the twentieth century as authors grappled with how their origins and experiences related to the Thai centre Martin Platt s account of Isan literature is an important first step toward a broader study of regional literatures in Thailand and shapes a model that has relevance for examining literary works in other Asian countries **Journeys of Discovery in Volunteer Tourism** Kevin D.
