Thomas, 2017-08-10 Finally I could see ahead the habitation of cruelty its steep walls of layered bricks seemed to be like a stone mountain that cast a dark shadow of death onto the street below Esther was now at the place and time when she would ultimately understand what God had been preparing her for Her journey begins when she is twelve and with her younger brother Jacob set out to find their missing father When the desperate search leads the frightened children to the cross of Jesus they are horrified to witness the death of their father as the thief next to Him Now homeless orphans Mary Magdalene adopts them and becomes instrumental in Esther's developing faith during the dynamic events of the early Church allowing us to witness the birth of Christianity through the eyes of this child Even though she hears powerful lessons of God's truth taught by Andrew and other disciples her faith struggles to grow hindered by adolescent rebellion that fantasizes about a life of luxury contrary to the one she imagines God has planned for her Tempted by a gorgeous red silk fabric to follow her heart's desires she is separated from Mary's protection and sin places her at the mercy of a dangerous ugly world Her poor decisions cause her to make many mistakes but as she overcomes each she learns what God expects from her and finds His strength to prevail over any adversity even those inside her Bending her will to His she becomes fit for His service giving her the spiritual fortitude to face persecutions and the agonizing martyrdom of those close to her The hand of God can be seen in each inspirational moment as miraculous interventions unfold eventually bringing her to a place and life she could never have imagined Lion Eyes Victor Villaseñor, 2011-10-01 In the American Indian belief it is said that we never really know who we are until we find our totem and once we do then everything falls into place even in the midst of chaos Lion Eyes is the exciting true story of Jan Milburn who came face to face with his totem and was transformed As a love deprived young child he got lost in a snowstorm in the Santa Cruz Mountains of California and a huge mountain lion led him safely home setting him on a course for a miraculous life Acclaimed bestselling author Victor Villaseñor gives voice to Jan's thrilling tale full of danger clashes between light and darkness romance and healing miracles Against the backdrop of the 60s a time of love and war a time of turmoil and social upheaval a time of young people's exuberant exploration while the establishment tried to hold on to the past Jan Milburn chose an unusual calling becoming the youngest minister ever ordained by the state of California Jan's spiritual path incredibly led him from San Francisco's Haight

Ashbury District of the 60s to Mexico and into the darkness of the drug world Hunted by a notorious assassin he stared down death and encountered the very depths of depravity and violence but ultimately awakened to his magical Spirit Guides and the Kingdom of God within each of us that transcends religion and of the body limitations It was at this time that Mireya a beautiful young Indian girl saw in Jan the noble heart of a lion and the vision of an eagle Nothing could get in the way of her love and admiration for this man It was written in the stars she said Eventually Mireya and Jan married and were instrumental in helping to return more than two million acres of stolen land to the Tarahumara Indians of Chihuahua Mexico Lion Eyes is a mystical heartfelt soul inspiring love story of timeless relevance It shows us that our global future lies not just in our politics and religious beliefs but also in our unwavering love and our forgotten native wisdom that once we find our totem everything falls into place even amidst chaos illustrated by one man s incredible life which can become the norm for all of humanity
